English Language Arts

- Demonstrate
- Listen
- Collaborate
- Seek multiple perspectives

Based on work by Tina Chuek ell.stanford.edu

Portland Public Schools wants all students to graduate prepared for college and career. The Common Core State Standards describe the habits of mind—summarized here—that help students succeed in school and compete in today’s global economy. Oregon adopted the standards in 2010. PPS began implementing the standards in 2011. **Inquire. Succeed.**
