

## Jefferson Modernization Project Update June 2024

[Español](#) | [Tiếng Việt](#) | [Русский](#) | [Soomaali](#) | [中文](#)

Dear Jefferson Families & Community,

This message is part of a regular series of updates from the Jefferson Project team to keep you informed as the Jefferson Modernization project moves through its design phase. You can read previous updates [here](#).

### Download the new Jefferson Project Flyer

[Check out the Jefferson Modernization Project flyer here](#). It has a project summary and other information about the work. [Español](#) | [Tiếng Việt](#) | [Русский](#) | [Soomaali](#) | [中文](#)

Since our last [update](#), the Project Team has been meeting with District and school staff to refine the site and building layout. PPS is working with the designer and contractor teams to determine the best approach to building a modern high school on the north end of the campus, while providing all the necessary athletic fields and site amenities. The project design phase will continue until the planned construction start date in the Summer of 2025. The district has also started to engage with the community as part of a new outreach plan that will be rolled out over the coming weeks and months.

### Upcoming engagement opportunities

In the coming months PPS will hold a series of meetings to provide updates and get input from the Jefferson community. Dates are being finalized now and will be announced shortly.

### Visit the website regularly for more information

The Jefferson Modernization project website, <https://www.pps.net/JeffersonBond> will keep you updated on the latest developments, including a list of upcoming engagement opportunities and previous meeting presentations.

Thank you for helping us create a new Jefferson High School for the 21st century.
