

**3.10.013-AD School Principal Duties – Staff Development and Evaluation**

The principal shall:

- (1) Stimulate the professional growth of the members of his/her staff and counsel with teachers as they design their respective professional growth in programs;
- (2) Plan and conduct with the professional staff at least one meeting each month for the cooperative study of the instructional improvement in his/her school;
- (3) Develop and conduct a systematic program of supervision of the entire staff consistent with the educational objectives and standards for teaching performance;
- (4) Systematically report on the work of the members of staff according to the requirements of the supervisor and the provisions of the contract between the Board and the designated organization representing teachers.

Policy Implemented:
