Persons having a direct interest in the arbitration are entitled to attend hearings, but the arbitrator shall have the power to require the retirement of any witness during the testimony of other witnesses.

5.5.6 Evidence

Except for evidence used solely for impeachment or rebuttal or to refresh recollection, evidence shall be restricted to exhibits made known to the other party at least twenty-four (24) hours prior to the first arbitration session and to testimony from witnesses whose names were made known to such party within said time; provided that the arbitrator may, upon a showing of good cause or to prevent injustice, relieve a party from this restriction.

5.5.7 Affidavits

The arbitrator may receive and consider the evidence of witnesses by affidavit, but shall give it only such weight as they deem proper after consideration of any objections made to its admission.

5.5.8 Oaths

Before proceeding with the first hearing, the arbitrator may take an oath of office. The arbitrator may require witnesses to testify under oath administered by any duly qualified person.

5.5.9 Waiver of Oral Hearings

The parties may provide by written agreement for the waiver of oral hearings.

5.5.10 Time and Place

The arbitrator shall fix the time and place for each hearing. At least five (5) days prior thereto, they shall mail notice of the time and place thereof to each party.

5.5.11 Order of Proceedings

The arbitrator may, at their discretion, vary the normal procedure under which the initiating party first presents the claim (except in discipline cases), but in any case, shall afford full and equal opportunity to all parties for presentation of relevant proofs. The hearings may be reopened by the arbitrator on their own motion or on the motion of either party for good cause shown at any time before the award is made, but if the reopening of the hearing would prevent the making of the award within the time specified in these procedures or any other specified time agreed upon by the parties in writing, that matter may not be reopened unless both parties agree upon the extension of such time limit.

5.5.12 Serving of Notices

Each party shall be deemed to have consented and shall consent that any papers, notices or processes necessary or proper for the initiation or continuation of an arbitration under these rules and for any court action in connection therewith or the entry of judgment of an award made thereunder may be served upon such party (a) by mail addressed to such party or their attorney at their last known address, or (b) by personal service on such attorney or the Employee Relations Department or the Office of the Association as applicable.

5.5.13 Communication with Arbitrator

Except as expressly authorized herein, there shall be no communication between the parties and the arbitrator other than at oral hearings and those necessary to accomplish the filing of evidence, briefs and papers, to arrange the order of proceedings and to provide notice. Prior to contacting an arbitrator, the opposing party shall be given notice by the initiator.

5.5.14 Arbitrability / Review of Arbitration Decision

Upon request of either party, the arbitrator shall first hear and rule in writing on questions of procedural and substantive arbitrability. Grievances, in order to be arbitrable, must have been processed according to this grievance procedure. Grievances must include only those issues described in Section 5.1.1 unless otherwise agreed to by the parties. Grievances shall be heard unless the contract clearly is not susceptible to the interpretation cited in the grievance. Ambiguity shall result in the grievance being considered. If neither party requests a separate hearing on grounds of arbitrability, and if the arbitrator still rules that a grievance is not arbitrable, they shall not comment on the merits of the grievance in any way.

5.5.15 Conflict of Interest

No person shall serve as arbitrator in any arbitration in which he or she has any financial or personal interest in the result of the arbitration, unless the parties, in writing, waive such disqualification. Prior to accepting the appointment or immediately upon receiving notice of this rule, whichever is later, the prospective arbitrator shall disclose to the parties any circumstances likely to create a presumption of bias or which might disqualify them. If either party declines to waive the presumptive disqualification, the vacancy shall be filled in accordance with the procedures described below.

5.5.16. Substitute Arbitrator

If any arbitrator shall resign, die, withdraw, refuse or be unable or disqualified to perform the duties of the office, it shall be vacant, and the matter may be reheard by a new arbitrator. A party desiring to fill such vacancy and continue arbitration must give notice thereof to the other party at the Oregon Employment Relations Board within five (5) days of the date of receipt of knowledge of the vacancy and request that the Employment Relations Board furnish an additional list of seven (7) arbitrators. The successor shall then be selected in the same manner as in the original selection.

ARTICLE 8 WORKLOAD

8.1 Except as provided by Article 16, paid extended responsibility assignments, paid extra duty assignments, and voluntary attendance at in-service classes are excluded from this Article and are covered by Article 16 and Appendix B.

8.2 The work load of professional educators shall be generally comparable to that which existed in the 2017-18 school year.

Portland Public Schools believes all students deserve the full range of educational opportunities and student supports that a robust, well-rounded education affords. A well-rounded education is one that meets the Oregon state education standards by providing students with learning opportunities that give them the skills to succeed in school, college and career. A well-rounded education also provides the parents and students who make up the Portland Public Schools community a safe and productive educational environment.

District Policy 2.10.010-P (Racial Educational Equity Policy) states, “Portland Public Schools will significantly change its practices in order to achieve and maintain racial equity in education.” This obligates the District and Association to agree to initiatives aimed at raising achievement for all students while closing gaps among different groups of students and eliminating the racial predictability of disparate academic outcomes.

Beginning in the 2024-2025 school year, the District will make a good faith effort to establish an enrollment and staffing process that ensures the class size, teaching load, and caseload do not exceed the threshold listed in the chart below, except as otherwise provided in the remainder of this article.

8.3 Class size, Caseload and Overload Pay

8.3.1 Language relating to overloads and class/caseload shall remain in effect in a status quo period.

8.3.2 Both parties recognize and agree that overload numbers are not a staffing model.

8.3.2.1 Student loads will be calculated on the third Monday in October and the third Tuesday in February. If a professional educator’s load exceeds the limits in 8.3.3, the District will implement one of these three options:

- a. Within two weeks, move students to meet the limit.
- b. Within two weeks provide .5 FTE educational assistant for an elementary general education classroom, or a paraeducator for a special education classroom. Educational assistant or paraeducators assigned to classrooms to address overage shall not be used for other building needs, except in the case of an emergency. Except as provided in 8.3.2.2, the professional educator may decline the assistant or paraeducator and select the stipend, and at the same time refer the matter to the Class Size Committee process, as set forth below in 8.3.7, or
- c. Pay any professional educator over a threshold a stipend equal to 1.5% of the base BA+15 salary per semester; or in accordance to the amount listed in the chart if different than defined above, and at the same time refer the matter to the Class Size Committee process, as set forth below in 8.3.7.

8.3.2.2 Assistants or paraeducators already assigned to the class due to threshold estimates will count towards this relief and may not be declined in favor of a stipend. Within two weeks of the beginning of each semester, the District shall provide the Association a list of assistants and/or paraeducators who are intended to provide overage relief, and the paraeducators’ assignments.

8.3.2.3 The stipend will be paid as part of the next payroll period.

8.3.2.4 The methodologies for determining which classes are regular or performance classes and how to count students in certain class configurations are addressed in Sections 8.3.8 and 8.3.9.

8.3.2.5 For professional educators in multiple buildings, or for professional educators working less than 1.0 FTE, the stipend will be prorated.

8.3.3 Guidelines

- 8.3.4 Elementary specialist classes will not exceed 35 students per class.
- 8.3.5 Annually, the District will provide its staffing ratios as part of its Staffing Guidelines and Core Programing Requirements. In the event the District intends to modify the Staffing Guidelines it shall provide at least thirty (30) days' notice and upon request meet and discuss with the Association prior to making such changes.
- 8.3.6 The District will continue to pay overages in the 2023-24 school year and all subsequent years according to the provisions of this agreement, unless an alternative solution is agreed to by the parties.
- 8.3.7 Class Size Committee Process
- 8.3.7.1 The parties acknowledge that circumstances could arise where there are exceptions to the above class size thresholds. The building level committee will meet when the conditions in Article 8.3.2.1 are met related to class size, caseload and overage pay, as set forth above.
- 8.3.7.2 Teachers will not be asked individually to exceed these limits. To address a single class size or caseload exceeding a threshold, the building administrator may meet with the building Association representative and the affected professional educator to discuss the class size or caseload thresholds and to collaborate on solutions. In no event will a solution be implemented without the review and consultation of the building Association's representative and impacted teacher(s). If the issue is not resolved, it may be brought to the class size committee for resolution; the process described in 8.3.7.3 shall not apply to a single class-size or student issue.
- 8.3.7.3 Schools will form a class size committee on an as needed basis. The Class Size Committee may take into consideration efforts to keep families together, enrollment patterns, population shifts, a decrease in state or federal funding, an unusual variation between school enrollments at different grade levels or to allow the district to avoid creating split grade level (aka "blended") classes. Possible options may include but not limited to: rebalancing classes, multiple grade-level blends or combination classes, assigning educational assistants or other push-in support, using existing licensed FTE, or other school-based options, taking into account programmatic needs, student needs, physical space constraints, and competing needs. The committee shall not discuss personally identifiable information contained in student educational records in order to avoid Family Educational Rights and Privacy Acts (FERPA) violations.
- 8.3.7.4 The committee shall be composed of the following members:
- a. School Principal
 - b. Assistant/Vice-Principal or other administrator selected by the District
 - c. A teacher from an affected classroom or other staff member in the affected license area. This person will be chosen by the PAT Building/Association Representative.
 - d. A building representative or another licensed staff person appointed by the Association
- 8.3.7.5 Upon mutual agreement of the Association and an administrator, two (2) parents/guardians will be invited to attend by the principal and the association building representative to participate in the discussion of possible solutions not centered on a specific student or class, while taking into consideration the diverse school community, including race, gender, ability, language and socio-economic status. Lack of parent/guardian involvement will not preclude the committee from developing recommendations.
- 8.3.7.6 All affected teachers will be invited to attend the Class Size Committee to participate in the discussion of possible solutions.
- 8.3.7.7 The Class Size Committee will convene, if necessary, one to three times between March 1st and October 1st, during the educator work year, and other times as needed.
- 8.3.7.8 If a solution is not reached at the building level, the district's Chief of Schools, or their designee, and a representative from the Association will meet and make a good faith effort to resolve the issue.
- 8.3.7.9 If the previous steps of the process have not resulted in a resolution, the superintendent (or their designee) and the President of PAT (or their designee) shall meet for a final effort to resolve the issue.
- 8.3.7.10 When the building-level above outlined process for addressing class-size concerns is observed, the implemented outcome is not subject to the grievance procedure.

8.3.8 The methodology for identifying performance classes is as follows:
Classes such as, band, choir and theater are performance classes. Any class that is more like a traditional academic class such as history or biology would not be considered a performance class. History and literature of the theater is more akin to literature courses and is not a performance class. Drama – Stage craft is more akin to performance classes like Dance Technique. Classes labeled as “student support, tutorial, and study skills” shall be classified as regular classes. Performance classes are distinguished by being more of the nature of a “performance” or “production” as compared to a traditional “academic” class in which there is direct instruction. The parties shall meet as necessary (but at least annually) to review the list of classes and to determine if new classes should be listed as performance classes for purposes of Article 8.

8.3.9 Special student count rules:

- a. Teaching Assistants and Peer Mentors shall not be counted towards student loads, so long as the teacher voluntarily agrees to have these students in their classroom and so long as the total number of teaching assistants or peer mentors for a full-time teacher does not exceed ten (10). A teacher shall not accept more than ten (10) teaching assistants or peer mentors.
- b. All students shall be counted as a minimum of 1 student for all counts.
- c. Students in an independent study do not count on that teacher’s load, so long as the teacher voluntarily agrees to have the student in their classroom and there are no more than two (2) students in the independent study per class period, and no more than a total of six (6) students in independent study. A teacher shall not accept more than two (2) students per period in independent study or more than six (6) total.
- d. Students in “double blocks” shall be counted in each class.
- e. The threshold size for any blended class shall be the lower of the two grade level groups. For example, a 3rd/ 4th class shall be counted as if it was a 3rd grade class.
- f. Refer to the overage methodology (Appendix P) for any student not specifically identified in this article.

8.4 Relief for Exceeding a Number of Unique Preparations

8.4.1 Section 8.4 shall remain in effect in a status quo period.

8.4.2 The District will pay \$1,000 per semester to a professional educator who functions as a high school, middle school or departmentalized 6-8 grade classroom teacher for each additional unique preparation over three (3). The District will produce a report of preparation each semester to monitor and inform the District and Association of the situation.

8.4.3 Preparations are defined as the number of unique courses for which a professional educator must prepare (e.g., Algebra 1, US History). AP and IB courses shall be considered unique courses.

8.5 Duties

8.5.1 Duties assigned during the workday to professional educators shall not infringe upon their duty-free lunch period and/or planning time. Good faith consideration of fairness and balance will be made in assigning such duties to professional educators.

8.5.2 SLPs, School Psychologists, Counselors, Qualified Mental Health Professional (QMHPs), School Social Workers, and other specialists shall not be assigned more duty time than that assigned to other professional educators.

8.6 Progress/Grade Reports

8.6.1 Professional educators shall be responsible for no more than four (4) progress/grade reports per year,

except a mid-term report may be necessary when a student is in danger of failing or their behavior or achievement shows a significant decline.

- 8.6.2 Professional educators shall make arrangements as may be necessary to meet with students and parents at reasonable times outside the normal workday. Regularly scheduled parent conference days are not covered by this Section.

8.7 Substituting for other Professional Educators

- 8.7.1 Every effort will be made to employ substitute teachers to cover classes of absent teachers. Except in true emergency situations, such as a sudden injury or illness of a teacher when no building administrator is available to respond, and except as otherwise provided in 8.7.3, professional educators shall not be required to substitute for other professional educators. The District shall maintain a system that allows professional educators an option to select their preferred substitutes.

- 8.7.2 Professional Educators may recommend their preferred substitute teaching colleague, to their administrator, for any absence of less than forty-five (45) consecutive days.

8.7.3 Site Support Instructors (SSIs)

- 8.7.3.1 The parties have agreed to establish a licensed teaching personnel position entitled Site Support Instructor (SSI). This position shall fall within the scope of the School District No. 1 Multnomah County Oregon and Portland Association of Teachers Collective Bargaining Agreement (CBA).

- 8.7.3.2 The District may engage up to 30 Site Support Instructors. The number of SSIs and the location shall be determined by the District prior to staffing. The District shall review the data for the current and previous school year and select schools-based on the percentage and number of unfilled substitute jobs in the building. For purposes of Article 18, Transfers the District shall reassign current SSIs to buildings for the next school year prior to the internal staffing process so that SSIs will know their assignment for the following year prior to considering other assignments. SSIs may apply in the internal and external staffing process as otherwise provided in Article 18.

- 8.7.3.3 The SSI is considered a regular member of the staff in the building to which they are assigned and will not be used to fill vacancies at other buildings.

- 8.7.3.4 The SSI will be provided a workstation at the building to which they are assigned with computer access and a District email address.

- 8.7.3.5 The SSI will not be used in place of requesting a substitute through the District substitute system.

- 8.7.3.6 The SSI will not be used for long-term substitute positions.

- 8.7.3.7 The SSI may be used in a variety of classroom settings in any one day. However, a SSI may not be assigned to cover the work of more than one professional educator each day.

- 8.7.3.8 The SSI may be utilized to cover classroom instruction so that another professional educator may attend to a need designated by the building administrator or the building administrator's designee.

- 8.7.3.9 Generally, the SSI will not have a disproportionate amount of duty/supervision in any given day.

- 8.7.3.10 All the terms and conditions of the Agreement shall apply to the SSI except:

- a. The SSI may work an adjusted daily work schedule to meet the demands of planning for instruction with little notification. The daily work schedule will be determined collaboratively between the SSI and the building Administrator or the building Administrator's designee.
- b. The starting time for the SSI shall not be before 7:00 a.m. without a specific contract exception.

- c. Except as provided in Section d below, the workday for the SSI shall not exceed the hours specific to the school to which they are assigned.
- d. The daily work schedule for the SSI may be extended to provide time to attend staff meetings that may normally occur beyond their workday. If the daily schedule is so extended, the individual shall be granted time off with pay within the same workweek equal to the amount of time their schedule was so extended. If the daily schedule is extended but the SSI is not granted time off with pay within the same workweek equal to the amount of time their schedule was so extended, the SSI shall be compensated at their per diem hourly rate for such extended time. The extended workday shall not exceed eight (8) hours without a specific contract exception.
- e. SSIs shall receive the same daily prep/planning time otherwise due to the individual they are assigned to cover.
- f. The SSIs shall be eligible to accept any Extended Responsibility pay opportunities that the building Administrator or the building Administrator's designee merits to be in the best interest of the school.
- g. In collaboration with the building Administrator or the building Administrator's designee, the SSI may pursue District supported professional development that will promote their opportunities for regular employment.
- h. SSI shall be allowed to participate in all professional development and training offered to the general staff. Any such professional development and/or training offered outside the workday shall be paid in accordance with Section 22.2.
- i. For the purposes of Section 18.6 (Administration Initiated Transfers), the SSI are to be treated as an individual classification rather than as a part of the building teaching staff.
- j. For the purposes of the articles on layoff and transfer, SSI shall be considered as a "subject".
- k. Notwithstanding subparagraph (j) above, competency for the purpose of placement within the District but outside of the SSI position shall be defined as the ability to teach a subject or grade level based on recent teaching experience related to that subject (as further defined by Appendix D) or grade level within last five (5) years, or educational obtainments, or both, but not based solely on being licensed to teach.
- l. It is expressly understood that the instances when the SSI is assigned to cover the work of more than one professional educator in a day will be thoughtfully placed and assigned by the building Administrator or the building Administrator's designee so that the SSI can be successful in their coverage.

8.8 Lactation Friendly Workplace

- 8.8.1 The District shall provide reasonable break time for an employee to express breast milk for a nursing child for one year after the child's birth each time such employee has need to express the milk. The District shall post the administrative directive entitled Expression of Milk in the Workplace (5.50.059-AD) at each site and shall include the administrative directive in the new hire materials and child care leave paperwork.
- 8.8.2 If feasible, professional educators shall take the rest periods to express milk at the same time as the break times or meal periods that are otherwise provided to the professional educator. When not feasible, coverage shall be provided.
- 8.8.3 Administrators may assign Site Support Instructors to provide coverage, with no additional compensation. If a Site Support Instructor is not available, Administrators may ask other professional educators to voluntarily provide coverage. When a professional educator (other than a Site Support Instructor) voluntarily agrees to provide coverage, time in consideration of work missed while providing coverage shall be scheduled outside of the standard work day at a time mutually agreed to between the professional educator and the Administrator and shall be paid at the professional educator's per diem hourly rate of pay for such time.

8.9 Student Plans

- 8.9.1 Professional educators who are required to conference regarding 504s shall be afforded time to allow for such meetings to occur within the workday. If a professional educator volunteers to attend a 504 conference outside of the workday, such member shall be compensated at their per diem hourly rate for conferences which take place beyond the contract day. A professional educator who chooses to conference during their individual planning time, including the 15 minutes at the end of the work day, can do an equivalent amount of planning time outside of the work day and be compensated at their hourly rate for the length of the conference.
- 8.9.2 Professional educators who are required to write student plans other than IEPs, including Gifted Student plans or 504 plans, shall be provided at the professional educator's option either release time or compensation at their per diem hourly rate. One hour shall be allotted for each student plan.

8.10 The District shall supply and maintain materials in current adoptions. The District shall provide professional educators with related core instructional materials and an opportunity for in-service before requiring implementation of new adoptions, programs or curricula.

8.11 Curriculum Materials in Language of Instruction

The District shall make every effort to provide professional educators working in dual language immersion programs equivalent district-adopted materials to those teachers instructing in English-only classes. An educator may make a request to the Department of Dual Language for the needed materials. If such materials are not available, the Department of Dual Language will either:

- 8.11.1 Arrange for the materials to be translated and provided, or
- 8.11.2 If a professional educator and the Department of Dual Language agree in writing that the professional educator will translate specific materials necessary for core instruction, the professional educator will be compensated at their hourly rate for additional hours agreed upon in advance. To receive compensation, the professional educator must submit the translated materials to the Department. The District will maintain a tracking tool for educators to submit translation requests for the District to provide approval. If a response providing the reasoning for the approval or denial as well as an alternative material that is equivalent to the educator's request is not granted within two (2) days, the educator's request shall be considered approved.
- 8.11.3 When materials are produced by the Department or by a professional educator, the Department will make the materials available to all other educators teaching in the same program.
- 8.11.4 No professional educator will be negatively evaluated for providing culturally or developmentally appropriate material or translation for students receiving instruction, providing they are teaching to state standards.

8.12 Each professional educator may request access to a phone in a private area during the contract day, and a good faith effort will be made to provide such access.

8.13 Professional educators shall have access to a computer as may be necessary to carry out their responsibilities. All professional educators shall have access to a copy machine and an adequate amount of paper to meet the required needs of instruction. Professional educators must have classrooms and spaces that meet the instructional needs of the program within which they teach.

8.14 Accountability and Class Size Reporting

The District will provide semi-annual reports to the Association and the Board of Education, that will include class size and overage data for all schools.

ARTICLE 9 STUDENT SUPPORT, DISCIPLINE & SAFETY

The District and Association are committed to an approach for student conduct and discipline that aligns with the PPS Vision and utilizes research based in Racial Equity and Social Justice, Restorative Justice, and Trauma Informed Care to minimize the use of exclusionary discipline and to maximize instructional time, while repairing harm done within the school community. Student success will not be predicted nor predetermined by national origin, race, culture, ethnicity, sex, language, socio-economic status, mobility, sexual orientation, disability, and/or religion. Student behavior is a communication of unmet needs, and makes sense when put in context. The disciplinary response process should be aimed at meeting these needs and create an environment that helps students find new ways to meet their needs. With this belief PPS will begin to move from exclusionary discipline to Restorative Practices for all Pre-K to 12th grades. These practices paired with meaningful and accessible instruction and guidance offer students and staff the opportunity to learn, grow and contribute to the school community.

9.1 Key Elements

The District and the Association acknowledge that:

Restorative Justice (RJ) is a philosophy which allows educators and students to focus on repairing harm through engaging all education stakeholders. RJ shifts the focus to learning through mediation and common agreements, and from the individual to the community. It is the basis of a long-term response to disruptive behavior and is effective when combined with MTSS prior to any disruption and with an appropriate use of the Student Rights and Responsibilities Handbook and Guide.

Multi-Tiered System of Support (MTSS) is a framework that includes Response to Intervention (RTI) and Positive Behavioral Intervention and Supports (PBIS) frameworks. MTSS is effective when used in conjunction with RJ and appropriate student discipline as defined in the Student Rights and Responsibilities (SRR) Handbook and Guide.

Student Discipline is a response to student behavior that disrupts the learning environment. It is used as a short-term District response that is effective if used with MTSS prior to student disruption and in conjunction with RJ.

The Association and District further acknowledge that no system, no matter how it is designed, can be effective unless it is implemented with fidelity across the entire school system. Therefore, the District shall annually train all existing and newly-hired professional educators in the District's school climate systems, including RJ, MTSS and appropriate use of the SRR Handbook. The trainings shall be differentiated to meet individual building and professional educator need and experience.

9.2 Professional Educator Authority and Protection

The following sources for determining professional educator authority and protection shall be provided for an Association representative in each building:

- 9.2.1 Oregon Statutes on Discipline, Attendance and Exclusion of Students, Chapter 339 Oregon Revised Statutes;
- 9.2.2 Current District Disciplinary Procedures: *The Student Rights and Responsibilities Handbook and Guide*;
- 9.2.3 All administrative directives which are for the general knowledge of professional educators including building handbooks/rules; and
- 9.2.4 "Policies and Regulations" of the Board related to student discipline

It is recognized that there may be normal delays between the time of adoptions and delivery of such materials to the building.

9.3 Definitions

For the purposes of this article, the following definitions shall apply:

- 9.3.1 Physical Attack/Harm: Intentionally violent contact and/or touching that violates bodily autonomy or striking of another person against their will or intentionally causing bodily harm to an individual.
- 9.3.2 Threat/Causing Fear of Harm: A behavior that indicates an intention to cause injury to the body or property of another person which immediately creates a fear of harm, without displaying a weapon and without subjecting the impacted individual(s) to actual physical attack. Threats may take many forms including verbal, gestural, written, electronic, or through a third person.

9.4 Student Support and Discipline

- 9.4.1 The principal, supervisor or professional staff designee with input from the staff shall include the following minimum procedures in developing a written School Climate plan to outline the procedures for Tier 1, 2, and 3 supports. To preserve student dignity and maintain an environment conducive to learning for all students, prior to the first student day, each plan shall identify a location or locations other than the student's classroom for professional educators, support staff, or building leadership to implement crisis prevention and/or de-escalation strategies. Such procedures shall exist in each building or program. The process must be in accordance with District policies and regulations and State law.
 - 9.4.1.1 Each Professional educator will develop individual, independent in-class expectations, rules, and plans for student classroom management and student-centered intervention, in conformance with the building's School Climate plan. Professional development time shall be allocated to complete these plans.
 - 9.4.1.2 A professional educator may temporarily remove a student from class who is disrupting the educational program in a manner requiring immediate action by the professional educator, or who after repeated Tier 1 interventions or implementation of a pre-existing Tier 2 plan, continues to disrupt instruction. If a student is in crisis or needs support with de-escalation, the professional shall send the student to a location designated by the principal or principal's designee as referenced in article 9.4.1. In such situations, the professional educator shall complete a level 2/3 referral and may need a referral to the Student Intervention Team (SIT).
 - 9.4.1.3 Removal from class as described in 9.4.1.2 does not include needed breaks for students, brief reset and reteaching conferences with students, predetermined time-limited self-regulation strategies, and restorative practices. In those situations, an educator may document the behavior with a level 1 referral.
 - 9.4.1.4 The principal, supervisor or their designee shall, at the professional educator's request, confer with the professional educator without disrupting the professional educator's responsibilities. Such communication to the professional educator generally shall take place prior to returning the student to class unless the principal, supervisor or their professional designee is not available, in which case the conference shall take place when the principal, supervisor or professional designee becomes available.
 - 9.4.1.5 A procedure shall exist for supporting students removed from class when the principal, supervisor or professional designee is out of the building and, therefore, not available for a conference required by the professional educator. Such procedure shall provide that only professional personnel shall have a decision-making role in the supporting of such students.
 - 9.4.1.6 Each professional educator shall be allowed to write referrals for any student under their supervision at any stage of the referral process. The administrator receiving the referral shall provide feedback within a reasonable period of time, generally defined as within three (3) school days. Professional educators shall have access to referrals written by them and shall be able to track or receive documentation of the disposition of the referrals. Building representative/administration meeting referenced in Article 29.5, will review discipline data no less than quarterly.
 - 9.4.1.7 If continuous disruptive student behavior occurs, at either's request, the principal, or supervisor, and the professional educator shall develop and implement a mutually acceptable support plan involving, as appropriate, the principal, supervisor, professional educator, student

and parent(s) and other resource staff. The plan must take into consideration the impact of issues related to the student's trauma, race, gender identity /presentation, sexual orientation, disability, social emotional learning, and restorative justice as appropriate for the student. The plan could include, but would not be limited to, behavior contracts, Student Intervention Team (SIT) referral, involvement of appropriate community agencies, use of reset/self-regulation spaces or other activities. The plan shall include the specific areas of concern to be addressed, the responsibilities of the student, professional educator, administrator or others, and a timeline for completion of the plan. The behavioral assessment and planning will be implemented in alignment with requirements outlined in Oregon State Law and any other applicable requirements of the CBA . If a disability is suspected, a special education referral or 504 plan may be considered. If the student has an IEP, the Special Education case manager shall be included in the development of the plan.

9.4.1.8 If the support plan does not result in a change in the disruptive behavior, the administrator in conference with the professional educator will review the student support plan for the student and take additional steps as may be appropriate which are consistent with and guided by the *Students' Rights and Responsibilities Handbook/Guide*.

9.4.1.9 An allegation that a student has committed Threat/Causing Fear of Harm or Physical Attack/Harm upon a professional educator shall result in the temporary removal of the student from the responsibility of the professional educator pending administrative investigation of the incident consistent with state and federal law. The administrator shall exercise appropriate progressive discipline as set forth above.

9.4.1.10 Any student found to have committed Threat/Causing Fear of Harm or Physical Attack/Harm upon a professional educator shall be immediately subject to appropriate discipline in accordance with the *Students' Rights and Responsibilities Handbook/Guide*. However, the student shall be removed from class or school. A relevant and actionable Tier III intervention will be identified prior to their scheduled return. Prior to student reentry to the classroom a safety plan will be developed with the impacted professional educators' input and a restorative reentry meeting will be held. The intervention shall be communicated in writing to the student's guardians and all professional educators who are responsible for the student prior to the student's return to school or class. Regardless of the student's age or grade, the District shall ensure that student-services makes regular contact with the student while the student is out of the school.

9.4.1.10.1 Any student making a serious or menacing threat of harm to the person, property or family members of a professional educator shall be immediately subject to appropriate discipline in accordance with the *Students' Rights and Responsibilities Handbook/Guide*.

9.4.1.11 In accordance with Oregon Law and the *Students' Rights and Responsibilities Handbook/Guide*, any student who has been involved in a violation of state or federal law regarding weapons at school shall be immediately suspended pending administrative investigation. If the investigation confirms that the student was in violation of state or federal law regarding firearms at school, the student shall be reported to the appropriate law enforcement agency. - 12.5.2.4 A professional educator appointed to substitute in an administrative or supervisory position shall be paid their teaching salary plus 0.17 times the base salary daily rate per working day for a short-term emergency period not to exceed two (2) consecutive days. INSURANCE PROTECTION

13.1 Health and Welfare Trust

13.1.1 The District and the Association agree to continue participation in the School District No. 1 Health and Welfare Trust per the Trust Agreement as adopted November 9, 1972, and any amendments thereto.

13.1.2 Subject to the qualifications stated below, the monthly District contribution to the Trust toward the costs of health insurance benefits, including medical, dental, vision, prescription drug, and group term life insurance, and associated administrative costs and Trust reserves for full-time professional educators, and their eligible dependents and domestic partners is as follows:

13.1.2.1 The District shall contribute for full-time eligible professional educators and their eligible dependents and domestic partners ninety-three percent (93%) of the PAT composite premium.

13.1.2.2 The professional educators shall pay any remaining amount of the PAT composite premium as a payroll deduction. Such payments shall continue to be paid as a tax-sheltered employee deduction as permitted by IRS regulations.

13.1.2.3 Group term life insurance with accidental death and dismemberment (AD&D) shall be provided with a benefit of \$50,000. Professional educators covered by health insurance benefits shall have the ability to purchase additional coverage by payroll deduction.

13.1.3 Long Term Disability

All eligible professional educators must enroll in Long Term Disability (LTD) coverage. The Association shall be responsible for setting the eligibility and plan requirements. The full premium cost of the LTD plan shall be paid by the professional educators.

13.1.4 Insurance Coverage

Professional educators may opt out of medical, dental, vision, prescription drug benefits, and additional life insurance. Neither the District nor the professional educator shall make payments to the Trust for those who opt out. However, these professional educators shall be enrolled in the \$50,000 group life insurance with AD&D at the District's expense and in the LTD plan at the professional educator's own expense.

13.1.5 The benefits in existence on the date of execution of this Agreement, including the provisions identified in Appendix F, shall be maintained by the District for the full term of this Agreement, except if mandated by a new state insurance plan.

13.1.6 The District shall make this contribution from September through August of the school year. As used in this Paragraph, the words "through August" refer to the payment made by the District in early August, even though the professional educator contributions remitted by the District for such payment may have been deducted from July payroll checks. Before such payment per month, as indicated above, is required with respect to a professional educator, the Trustees shall certify to the District that the professional educator (himself or herself) has such medical/hospitalization coverage through the Trust. A full contribution shall be made by the District for professional educators having a work schedule of seventy-five percent (75%) or more of a full-time professional educator. The District shall make a contribution of fifty percent (50%) of the composite rate for professional educators having a work schedule of fifty percent (50%) up to seventy-five percent (75%) of a full-time professional educator.

13.1.7 For temporary professional educators, the District shall make a contribution to the Health and Welfare Trust in accordance with 13.1.2 for two (2) months following the end of the standard work year, as defined in Section 6.2, if the temporary professional educator(s):

13.1.7.1 worked at least half-time, and worked at least half of the contract year, and finished the contract year in a bargaining unit position; or

13.1.7.2 worked at least half-time and is retained in a bargaining unit position for the following school year.

13.1.8 Professional educators on unpaid leave of absence shall not suffer loss of benefit in excess of the period of time not worked during the regular work year. If paid leave extends up to the beginning of winter, spring and/or summer recess periods, such recess periods shall not count as time not worked.

13.1.9 The District shall assure the continuation of a tobacco abatement program, through the Health and Welfare Trust, for professional educators and their families.

13.2 Liability Insurance

The District shall provide, on a fully paid basis, bodily injury, liability and property damage insurance coverage, to the limits carried by the District for the use of automobiles owned, leased or hired by a professional educator while in the normal course of their duties as an employee of the District. This coverage shall apply only as excess insurance over and above other valid and collectible liability insurance carried by the professional educator. The District may require as a condition to this coverage that before the vehicle is used on District business, the professional educator provide a license of insurance showing that he or she has at least the minimum amount of insurance required to license a vehicle in the State of Oregon. The District will reimburse the professional educator for any deductible cost the professional educator is required to pay, as a result of an on-duty accident, not to exceed five hundred dollars (\$500). Reimbursement will not be made if the professional educator is convicted of or admits to driving under the influence of intoxicants or with a suspended license.

13.3 Professional Association Insurance Program

The District shall recognize the rights of the Association to select carriers of insurance programs where membership in said program is contingent upon membership in the Association. Subject to the mechanical limits of the District's payroll system, the District shall make available payroll deductions for professional educators participating in such insurance programs.

13.4 The District will continue the I.R.C. Section 125 Flexible Benefit Plan during the term of this Agreement.

13.5 Domestic Partners

Insurance coverage for same sex and opposite sex domestic partners shall be provided the same as spousal benefits. The definition of domestic partner is included as Appendix C.

13.6 Employee Assistance Program (EAP)

The District shall continue to provide an Employee Assistance Program (EAP) that allows each professional educator to refer themselves confidentially to the EAP provider.

ARTICLE 14
MILEAGE, PARKING AND PROCUREMENT CARDS (P-CARDS)

14.1 Mileage

14.1.1 Eligibility

Professional educators who regularly use their automobiles for on-the-job travel shall be entitled to mileage reimbursement provided they have on file with the District a current proof of insurance from their insurance company verifying they have insurance coverage at least equal to the State of Oregon minimum requirement for registering a vehicle in the State.

14.1.2 Reimbursement

Mileage shall be reimbursed at the IRS rate. If during the life of this Agreement, the IRS rate changes, the District will change its reimbursement within thirty (30) days of the effective date of the new IRS approved amount. Professional educators required to use public transportation for on-the job travel, or who are approved for a daily-use car rental, shall receive reimbursement for the fare/rental providing they submit the required verification, or supervisor authorization.

14.1.2.1 Each year, any professional educator who must travel frequently as part of the regular assignment shall designate which of their assigned buildings is their home building. The professional educator shall use the District approved form to notify the account payable department of this designation.

14.1.2.2 Mileage between the home building and the professional educator's residence is not eligible for reimbursement.

14.1.2.3 For the first instance of travel on any given work day, the professional educator will be reimbursed for any mileage greater than the distance between their residence and their designated home building.

14.1.2.4 Any travel after the first daily instance, but prior to the end of the work day, shall be reimbursed.

14.1.2.5 The mileage between the final work site and a professional educator's residence will only be reimbursed if it exceeds the mileage between the designated home building and their residence. Only the excess mileage shall be reimbursed.

14.1.2.6 Consistent with IRS regulations and District policies and procedures, the District's Mileage Expense Reimbursement Request Form must be submitted no later than sixty (60) days from the date the actual expense was incurred. If a professional educator submits for reimbursement beyond the sixty (60) day limit, the amount of reimbursement shall be reduced by the amount of employer and employee associated taxes.

14.2 Parking/Commuting

14.2.1 At locations where the District has parking for teachers:

14.2.1.1 Professional educators with disabled person parking permits (either temporary or permanent) shall be given priority to receive teacher parking closest in proximity to entranceways to the work site.

14.2.1.2 Itinerants shall be given a reserved staff parking spot.

14.2.2 The District and the Association will jointly explore ways to improve and reduce the costs of commuting for professional educators.

14.2.3 In recognition of the challenges at certain District locations related to parking access for professional educators, the District will convene a work group to assess the parking and other transportation needs for each of its locations and to provide a recommendation for future action no later than June 1, 2024.

14.3 Procurement Cards (P-Cards)

14.3.1 Eligibility

The District shall determine the professional educators who will be authorized for a P-Card based on business needs of the District for the purpose of making authorized purchases or payments on behalf of the District. The District shall place the application for the P-Card on the District website. A professional educator must obtain their supervisor's approval in order to apply. Professional educators shall complete District training on P-Card usage prior to obtaining a card, and reconciliation training prior to the first month's reconciliation for that professional educator's card.

14.3.2 Usage

Professional educators approved for a P-Card are responsible for following the District P-Card Manual(s), assuring that all purchases are for appropriate use as defined in the manual, retaining all documents and receipts, providing those documents when requested by the District, and reconciling P-Card transactions as required by the District.

14.3.3 Notification to the Association

The District shall notify the Association of any changes to the P-Card Manual(s). Upon request, the District will provide a list of professional educators who are currently authorized for P-Cards. In addition, the Association and the District shall mutually agree to changes to discipline resulting from P-Card misuse, and changes to the usage of the P-Card that result in new out-of-pocket expenses for professional educators. The Association may offer suggestions on other changes to the P-Card Manual(s).

ARTICLE 15

RETIREMENT

15.1 Unused Sick Leave

Pursuant to Chapter 646, Oregon Laws 1973 (Senate Bill 622), the District shall request that the Public Employees Retirement Board add to the gross amount of salary used in determining the “final average salary” as defined in ORS 237.003(12) (for utilization in determining total retirement allowances) the monetary value of one-half (1/2) of the accumulated unused sick leave for each professional educator of the District.

15.2 Early Retirement Incentives

15.2.1 Insurance

15.2.1.1 The District shall contribute to the School District No. 1 Health and Welfare Trust the cost of medical/prescription plan for professional educators who:

- a. elect early retirement and are eligible to retire under the Public Employees Retirement System (PERS);
- b. have completed at least fifteen (15) years of service with the District by September 30, 2020;
- c. are eligible to retire with PERS, but not yet eligible for Medicare; and
- d. are eligible under such plan then offered by the Trust.

15.2.1.2 The District shall pay one-half (1/2) of the cost for the spouse/or domestic partner (as defined in Appendix C) of the retiree enrolled in the Plan.

15.2.1.3 For retirees, the list of benefits in existence on the date of execution of this Agreement shall be maintained by the District for the full term of this Agreement.

15.2.1.4 Professional educators eligible under this section may self-pay the cost of benefits following the exhaustion of the entitlement set forth above for up to five (5) years or until eligible for Medicare, whichever comes first, for professional educators who become unable to work because of disability as determined by PERS or the Disability Insurance Program provided by the Health and Welfare Trust. A qualifying retiree below age sixty (60) must elect to have District contributions commence upon retirement, but the District shall then cease its contributions at the end of sixty (60) months. Such professional educator may continue to maintain their coverage on a self-pay basis until age sixty-five (65).

15.2.2 Stipend

15.2.2.1 The District shall provide an early retirement incentive of four hundred twenty-five dollars (\$425) per month to professional educators of half-time or more who elect early retirement.

15.2.2.2 To qualify, professional educators must meet the following criteria:

- a. They must be eligible to retire under the Oregon Public Employees Retirement System; and
- b. They must have accumulated fifteen (15) years of service with the District by September 30, 2020.

- 15.2.3 Such payments shall extend for sixty (60) months or until the professional educator reaches age sixty-two (62), whichever is first. A professional educator must give written notice of retirement no later than sixty (60) days prior to the effective date. Upon death of a professional educator receiving the early retiree incentive, the remaining payments will be made to the surviving spouse or estate of the retiree.
- 15.2.4 The District and Association shall form a workgroup to meet and explore alternatives to early retirement incentives for Tier 3 professional educators that will serve as an incentive to retain mid-career members and to be cost neutral to the District.

15.3 Early Notice of Retirement

Professional educators who give early notice of retirement shall receive early notice incentives in accordance with the provisions of Section 18.2.

15.4 Re-employment of Retirees

Professional educators who retire under the Oregon Public Employee Retirement System (“PERS”) on or after December 1, and who the District re-employs between the Retiree’s PERS retirement date and June 30 (“Retirees”) are eligible for the benefits under this section.

15.4.1 The Retiree

- 15.4.1.1 Must have a PERS retirement date on or after December 1, and no later than June 1;
- 15.4.1.2 Must have submitted a written District Resignation Form ending District employment prior to the Retiree’s PERS retirement date; (Note: Under PERS rules the PERS retirement date is the first of the month after an employee ends District employment. For example, if a professional educator ends employment on the last contract day before Winter Break, their PERS retirement date would be January 1. If a professional educator ends employment on January 1, their PERS retirement date would be February 1.); and
- 15.4.1.3 Must declare in writing their request to begin a new employment relationship with the District as a Retiree in the Retiree’s prior position through the end of the work year or June 30, whichever first occurs. This written notice must be submitted to the District as part of the District Resignation Form no later than thirty (30) calendar days before the PERS retirement date.

15.4.2 The District will report all unused earned sick leave to PERS, except as stated in Section 15.4.4.2.c.

15.4.3 A Retiree will be re-employed by the District in the position that the Retiree held on the Retiree’s date of resignation only if all of the following conditions are met:

- 15.4.3.1 The professional educator elects to retire between December 1, and June 30 of that school year; and
- 15.4.3.2 No internal transfer options are identified; and
- 15.4.3.3 There is no one on layoff status who is qualified for the position.

15.4.4 Any period of reemployment between December 1, and June 30, is a new employment relationship between the Retiree and the District as outlined below:

- 15.4.4.1 A re-employed Retiree is expected to demonstrate reliable and regular attendance at work, unless eligible for a federal and/or state leave of absence, and to meet all expectations of the assignment.
- 15.4.4.2 Pay and benefits for re-employed Retirees are set forth below:

- a. Insurance coverage under the District's insurance for active employees shall continue through July 31, if permitted by the terms of such insurance.
 - b. Retiree will be paid at their pre-retirement rate of pay, less the 6% PERS pickup.
 - c. Retiree will retain one (1) day of sick leave for each month worked, beginning the first month after their retirement date, and ending with the month in which the work is completed or June 30, (whichever comes first), but will not be eligible for any other District paid leaves.
 - d. Retirees will not have access to professional growth or professional improvement funds.
 - e. The PAT/PPS collective bargaining agreement may contain other pay or insurance provisions that apply. A Retiree performing duties such as coaching or advisor work following their retirement date is paid pursuant to the District/PAT collective bargaining agreement and time spent performing such extra work counts as hours for the purpose of the PERS maximum hours calculation.
 - f. For purposes of clarifying the language under the PAT/PPS collective bargaining agreement regarding the Early Retirement Incentive Stipend ("ERI"), a Retiree will begin to receive the ERI upon retirement, which means "separation from service" under Internal Retirement Code Section 409A. The ERI is intended to comply with the requirements of Code Section 409A, and will be interpreted in a manner consistent with the intent.
- 15.4.5 This new employment relationship between the District and the reemployed Retiree will end on the last day of the work year in June. In no event will the Retiree's reemployment extend beyond June 30.
- 15.4.6 Promise of employment as a Retiree after the end of the contract year in which they retire is neither stated nor implied.

ARTICLE 16
EXTENDED RESPONSIBILITY

- 16.1 Professional educators with an extended responsibility assignment as set forth in Appendix B, attached to and incorporated in this Agreement, shall be compensated in accordance with the provisions of this Agreement without deviation.
- 16.2 Extended responsibility pay is for activities and responsibilities performed, primarily outside the standard workday. It is understood that, except for those that are extensions of the classrooms or job assignment, extended responsibility pay positions are voluntary. Extended responsibilities may require work outside of the standard workday and/or work year. If there is a desire to change or increase these requirements, the District or Association must refer the changes to the extended responsibilities committee. Only mutually agreed upon changes shall be implemented.
- 16.3 Extended responsibilities that are an extension of the assignment are indicated in Appendix B by (*). Such extended responsibilities shall be required and shall be automatically calculated in the professional educator's salary. If the school does not have a regular classroom assignment (e.g., no newspaper class), the extended responsibility would not be included under this section. In such cases, the extended responsibility would be voluntary. Extended responsibilities that are an extension of the assignment as indicated in Appendix B by (*) are covered by Article 8.
- 16.4 When part-time professional educators hold an extended responsibility, the percentage of the extended responsibility shall be determined by the portion of the responsibility for which they are responsible. For example, a .5 FTE professional educator who is responsible for a full coaching extended responsibility shall be paid 100% of the extended responsibility rate. However, a .5 FTE TOSA shall receive .5 of the extended responsibility rate with the expectation that they perform .5 of the extended responsibility duties.
- 16.5 Professional Educators shall not be required to participate in non-district sponsored activities as a prerequisite to being placed in extended responsibility positions.
- 16.6 Professional Educators may request information regarding the general expectations for the extended responsibility assignment before accepting the assignment.
- 16.7 The Extended Responsibility Base rate shall be the BA+15, step 1 rate. All extended responsibility percentages in Appendix B shall be calculated using this base rate.
- 16.8 Placement on the extended responsibility schedule shall be based on prior experience in the particular position. However, experience in a category with more than one level shall apply to another level (e.g., vocal music A and B). Experience as an assistant coach shall not be counted toward experience as a head coach.
- 16.9 Experience credit shall be given for each year in a particular extended responsibility position.
- 16.10 With the exception of extended responsibility positions that are an extension of the classroom or assignment, extended responsibility positions are voluntary, but when filling these positions, the District will give first priority to current bargaining unit members.
- 16.11 Educators who volunteer and are approved to lead student affinity groups before school, during student-lunch times, or after school shall be provided a release period or Extended Responsibility at 3% of the base salary. Bargaining unit members who co-lead an affinity group will receive a prorated extended responsibility pay. The district shall dedicate funding for affinity groups. The affinity groups will be determined by the administrator based on the student population, needs, and interest within each school. Whenever practical, affinity group providers should mirror the affinity population of students.
- 16.12 Training for Coaches

The District may require the current hours of online training units and completion deadlines for coaches as long as the coaches can direct when the online training takes place. If other online training is required,

coaches shall be paid at the professional educator's hourly rate, or at the BA+Ø 15 step 1 hourly rate for bargaining unit members who have an ER assignment but no additional classroom/job assignment as a PAT bargaining unit member (ER-only bargaining unit members). Training for coaches other than self-directed online training is voluntary and paid at the professional educator's hourly rate, or at the BA+Ø 15 step 1 hourly rate for ER-only bargaining unit members.

16.13 Extended Responsibilities Committee

16.13.1 A joint committee of six (6) members, three (3) designated by the Association and three (3) by the District, shall be formed within 90 days of the ratification to review the extended responsibility schedule (Appendix B).

16.13.2 This Committee is expected to:

16.13.2.1 review and/or develop current job descriptions for all extended responsibilities positions, starting with the technology coordinators and TOSA job descriptions;

16.13.2.2 develop a comparison of the extended responsibilities pay with comparable positions in other school districts in the Portland metropolitan area, starting with the athletic director and head coaches' positions;

16.13.2.3 develop a classification system for extended responsibilities taking into consideration the number of students, number of events, hours worked and length of season;

16.13.2.4 make recommendations to the Superintendent and the Association President in the rate of pay based on the classification system developed above;

16.13.2.5 make recommendations to the Superintendent and the Association President for deletions, additions and changes to the list of position on the extended responsibilities schedule; and

16.13.2.6 develop a system to review requests to add new extended responsibilities positions or to change the rate of pay for current positions based on the point systems developed above.

16.13.3 Recommendations from the Committee will be considered in the 2025 successor bargaining unless the parties mutually agree otherwise.

17.1.5 Employees who need leave for reason that qualify under OFLA/FMLA, PLO or for reasons related to domestic violence, sexual assault, harassment, or stalking may choose to apply for PLO benefits.

17.2 Paid Leaves

17.2.1 Sick Leave

17.2.1.1 Accumulation

- a. Professional educators shall be granted at least ten (10) days sick leave which includes the statutory requirement during each school year. Such sick leave shall be credited to said professional educators on the first contract day of the school year. Professional educators who begin service after the beginning of the school year shall receive one (1) day of sick leave for each payroll month remaining in the school year with all such days being credited on the professional educator’s first day of employment.
- b. A professional educator who uses their annual sick leave accrual and subsequently resigns for reasons other than illness or retirement prior to completing the work year, shall be obligated to refund the District an amount equal to one (1) day sick leave for each month not worked. - f. Professional educators who have exhausted their accumulated sick leave may choose to use any accrued, unused family illness days, as provided in 17.2.2, for any purpose for which they could use sick leave.
- g. Such volunteers shall be selected for transfer if they are from within the grade level(s) or subject matter area(s) where the positions are to be eliminated provided the volunteer(s) are not on a Plan of Assistance. In the absence of volunteers, the professional educator having the least seniority in the District shall generally be transferred. Exceptions to seniority may be made by the responsible administrator based only upon any of the following criteria: with the understanding that reference to a professional educator in 18.6.2.1 – 18.6.2.6 refers to within a given job classification, such as Teacher, Social Worker, School Psychologist, Student Services Specialist, Child Development Specialist, and Audiologist:
- 18.6.2.1 The professional educator(s) being retained has/have unique licensure for a specific existing assignment being considered;
- 18.6.2.2 Gender Presentation/Gender Identity balance: Transfer of a professional educator would decrease the building's percentage of under-represented male or female or transgender/nonbinary/gender non-conforming professional educator to less than thirty percent (30%) (or primary/intermediate/upper grades percentage in an elementary building);
- 18.6.2.3 Racial balance: If transfer of a professional educator would decrease the building's percentage of minority teachers to less than the student minority percentage in the building or below the percentage of minority professional educators in the District;
- 18.6.2.4 That professional educator being retained has bilingual (or multilingual) ability relevant to the assignment (See Appendix I);
- 18.6.2.5 The professional educator(s) being retained has an extended responsibility assignment as defined in Appendix B which is an extension of a classroom subject taught (e.g., drama, forensics, music, yearbook, newspaper) or is a department chairperson, head teacher or unit leader; or
- 18.6.2.6 Up to five (5) (with no more than three (3) in athletics) professional educator(s) at the high school level being retained has an extended responsibility assignment as defined in Appendix B. Such designation shall be done at each high school prior to the time of the initial posting for the next school year. A subsequent designation may be made in the event a professional educator transfers by applying for a posted position or resigns, but in no event will the number exceed that specified in each classification in this paragraph. The positions so designated must be only at the highest level of a given extended responsibility category and are those typically found at District high schools. "Highest level" is defined as the following extended responsibility positions:
- a. Head Coach
 - b. Activities Director
 - c. Varsity Cheer
 - d. Testing
 - e. TAG
- 18.6.3 It is understood for purposes of Section 18.6 that Child Development Specialists, School Psychologists, Student Services Specialists, School Social Workers, and Audiologists are to be treated as individual classifications rather than as a part of the building teaching staff. The transfer process for school psychologists is included in Appendix J.

- 18.6.4 The District's annual internal transfer process will include a Job Fair. Any contract or third-year probationary professional educator may apply for a posted position in the internal transfer process. First year and second year probationary professional educators who are unassigned may also participate in the job fair. External applicants and temporary professional educators (except as provided in 18.3.7) may not participate in the internal transfer process.
- 18.6.4.1 The District shall hold a job fair where all building administrators with vacancies will be available for informal interviews with eligible educators for positions on the known vacancy list.
- a) The job fair will occur outside of contract hours. The District will schedule the job fair to occur on two days, for at least three (3) hours each, or on one day for at least six (6) hours. Changes to the hours and days of the job fair may be made by mutual agreement with the Association.
 - b) Attendance at the job fair is voluntary and unpaid.
 - c) If an eligible educator is unable to attend the job fair, they may indicate their interest by communicating with the administrator with the vacancy by the end of the second day (or full day) of the Job Fair. This communication shall be considered in the same manner as an informal interview at the job fair.
- 18.6.4.2 The District will inform professional educators of the date(s) of the job fair at least one week in advance and shall post the known vacancy list three (3) days prior to the job fair. Posted vacancies will include the contact information for the administrator with the vacancy.
- 18.6.4.3 In years when the District is facing potential layoffs for licensed staff, the job fair may be waived by mutual agreement with the Association.
- 18.6.4.4 During the job fair, eligible educators will be given priority to interview for vacancies within matching areas of licensure, qualifications, and recency.
- 18.6.5 A professional educator who remains unassigned after the internal transfer process shall be transferred into a vacant position for which the professional educator is both licensed and competent prior to the consideration of applicants from outside of the District.
- 18.6.6 Following the internal transfer process, any professional educator may apply for any posted vacancy except a professional educator who has accepted a voluntary transfer under the provisions of Sections 18.5.2 – 18.5.3. Following the internal transfer process, a vacancy may also be posted externally unless there is an unassigned professional educator who is properly licensed and competent for such position.
- 18.6.7 If a professional educator has been administratively transferred under the provisions of 18.6.2 and a position for which the professional educator is qualified at their original school or program becomes available, the professional educator may be returned to that school under the provisions of 18.6.2. If such a position occurs while the professional educator is unassigned, the professional educator shall be returned to that school or program.
- 18.6.8 In the event of a merger of classes or programs from two (2) or more schools, the follow-the-student concept shall prevail. At least one week before the merging of the faculty list, the District will provide projections for enrollment and FTE at impacted sites/programs to all educators impacted by the merger. The impacted educator(s) will choose if they want to be assigned to the newly merged school/program or the current school/program for the staffing process. The faculty lists are merged for each impacted school/program, after the impacted educator's choice has been made. Professional educators from merged schools or programs will be compared equally using the criteria described in 18.6.2 in filling all the positions in the school. If there are not enough positions at the original school, then the regular unassignment process shall take place.
- 18.6.8.1 When a middle school is being formed, all the professional educators from the K-8 schools involved who have experience in grades 6-8 in the past five (5) years shall be included in the process for staffing the new school. The impacted educator(s) will choose if they want to be assigned to the K-5 school or the newly formed middle school for the staffing process. Eligible staff opting to be assigned to the newly formed middle school will be included in the merged faculty list for the newly formed middle school and will be compared equally using the criteria described in 18.6.2 in filling all the positions in the school; if there are not enough positions at

the newly formed middle school, the regular unassignment process shall take place

- 18.6.9 In the event of a school or program closure, professional educators of the open programs keep their positions and the faculty of the closed program will be offered the remaining open positions based on licensure and seniority. Usually there are not enough positions and the remaining professional educators are unassigned.
- 18.6.10 On occasion, the District may consider the transfer of a professional educator for reasons other than those set forth in paragraph 18.6.2. The following procedures shall apply when the reason for transfer is due to irresolvable differences between the professional educator and the supervisor:
- 18.6.10.1 The supervisor shall hold a conference with the professional educator for the purpose of discussing all the reasons for the perceived need for the transfer. This conference shall be for the purpose of information-sharing and problem-solving and shall not be used as a litigation preparation meeting. The professional educator may respond by making suggestions for addressing the concerns if the professional educator opposes a transfer. If a professional educator objects to the transfer, the professional educator and the supervisor will discuss options to resolve the issue including possible alternative placements.
- 18.6.10.2 A Human Resources Supervisor shall get involved if it appears the transfer may not be agreed to or if there is need for their help in finding a placement. At a minimum, if the issue is not resolved between the supervisor and the professional educator, the professional educator is entitled to a meeting with the Human Resources Supervisor.
- 18.6.10.3 By agreeing to participate in this counseling process, the professional educator also agrees not to contest the decision through the use of the grievance process.
- 18.6.10.4 In other types of involuntary administrative transfers under 18.6.1, a professional educator can appeal an administrative transfer to review by a Human Resources Supervisor who would have to approve the transfer before it can occur.
- 18.6.11 No professional educator shall be transferred for reasons that are arbitrary or capricious. An illustration of an arbitrary and capricious transfer would be one based on union activity. An illustration of an involuntary transfer decision which would not be arbitrary and capricious is a transfer due to a long-standing irresolvable conflict between a professional educator and supervisor. The involuntary transfer could not occur for any reason that would violate any provision(s) of this Agreement.
- 18.7 Professional educators are entitled to have an Association representative present during any meeting with an administrator concerning this process. The professional educator shall be given twenty-four (24) hours advance notice of any such meeting.
- 18.8 If a decision to transfer a professional educator is reversed by an arbitrator, the professional educator shall be reinstated to the building no later than the beginning of the next semester after the arbitration decision.
- 18.9 Job Sharing/Part-Time Work
- Two (2) professional educators in the District, if both are full-time, can request consideration to transfer to an assignment on a job-sharing basis. Establishing or discontinuing job-sharing assignments shall be at the discretion of the building administrator or supervisor. A job-sharing assignment, if established, will continue for that school year unless one of the professional educators resigns. If one professional educator in a job-sharing assignment resigns from the District or transfers, the remaining professional educator shall have the right to be considered for assignment to the position on a full-time basis.

ARTICLE 19
BUILDING AND CLASSROOM MOVES

- 19.1. Professional educators shall have access to their worksite, supplies and time to sort, purge and pack as soon as possible but, at minimum, one (1) week after the end of the school year. Professional educators shall have access to their worksites to unpack and organize their rooms as soon as possible but, at minimum, one (1) week prior to their first work day. Materials and packed boxes moved by the District shall be delivered on site prior to the access date.
- 19.2. Professional educators who are required to move to a new school campus as a direct result of school closure, reconfiguration, conversion, merger, or relocation, of grade levels, programs or classes, and the subsequent resulting reassignment of staff, will be compensated by the District for each hour worked:
- 19.2.1 Up to eight (8) hours to pack and move personally-owned materials; and
- 19.2.2 Up to an additional eight (8) hours to move and unpack materials in the new classroom.
- 19.3 Unassigned professional educators who are required to move to a new school campus as a direct result of the school closure, reconfiguration, conversion, merger, or relocation, of grade levels, programs or classes will be compensated by the District for each hour worked:
- 19.3.1 Up to eight (8) hours to pack and move personally-owned materials; and
- 19.3.2 Up to an additional eight (8) hours to move and unpack materials in the new classroom.
- 19.4 Professional educators shall be compensated via extended hours at their hourly rate for each hour worked, up to a maximum of eight (8) hours, in the following situations where they are moving classrooms:
- 19.4.1 School closure, reconfiguration, conversion, merger, or relocation, of grade levels, programs or classes;
- 19.4.2 Bond work, construction, painting, or remodeling; or
- 19.4.3 Administrator-directed moves that occur after the school year has started, or if the professional educator is directed to move classrooms two school years in a row.
- 19.5 Extraordinary moves: professional educators who agree to sort, purge and pack extra supplies and equipment beyond the typical classroom situation (for example, but not limited to: the school library, theater, shop department, science labs, music, art or PE equipment) shall, prior to starting this work, have a discussion with their administrator about the estimated number of additional hours that would be involved beyond the hours provided in the above paragraphs. The professional educator and the administrator shall collaboratively agree to the number of additional hours to be used for this purpose. If agreement cannot be reached, the issue shall be submitted to OSP Leadership for resolution. The Association unit member will then track and submit those extended hours to their administrator for payment.
- 19.6 Unless otherwise agreed, professional educators are not responsible for packing and moving District-owned materials or equipment. Professional educators shall not be asked to move furniture and other heavy classroom items. The District is not liable for personal property of a valuable or sentimental nature left on school property if it is lost or damaged in the move. Boxes and packing materials shall be provided at least two weeks prior to the deadline to move.
- 19.7 Time to move shall be paid at the professional educator's per diem hourly rate of pay. Professional educators shall track hours spent as outlined in 19.1 – 19.4, and submit a record of that time to their administrator as extended hours for payment. In lieu of payment, the professional educator shall have a half (1/2) day substitute for each four (4) hours, at their option.

Note regarding Section 19.3.3. – Educator must be compensated if they are directed to move after the school year has started. Educator must be compensated if they are directed to move classrooms for two school years in a row. Example: If an educator is directed to move for the 2017-18 school year, they must be paid for any subsequent administrator-directed move if it is effective prior to the 2019-20 school year. (Educator moves classrooms for 2017-18. Principal can direct educator to move for 2019-20 school year without providing moving compensation. If the administrator directs the educator to move classrooms for the 2018-19 school year, the educator must be compensated for four (4) hours of moving time to pack and four (4) hours of moving time to unpack. If the educator is directed to move in 2018-19 and they are compensated, they would also have to be compensated if they were directed to move again in 2019-20).

ARTICLE 20
REDUCTION IN STAFF/LAYOFF

20.1 Notification of Reduction in Force/Layoff

20.1.1 In the event a layoff of professional educators is required during the course of the school year, the District shall notify the Association and the affected professional educators sixty (60) calendar days prior to the effective layoff date. If the layoff is to become effective the subsequent year, the District shall notify the Association as soon as the layoff decision is made.

20.1.2 Along with the notification, the District shall provide the Association with all relevant data, including but not limited to a seniority listing of professional educators in the areas of licensure or classification in which the layoff is required. The District shall schedule at least one (1) meeting annually with the Association to review the staffing process.

20.1.3. The District shall first determine the program(s) or area(s) scheduled for reduction or elimination.

20.1.3.1 The District shall provide an announcement to professional educators in those areas in which the layoff must occur, offering the opportunity for professional educators who would not otherwise be laid off, to voluntarily apply for one (1) year unpaid leaves of absence. A professional educator who volunteers for such leave and has ten (10) years of service with the District shall continue to receive District paid medical/dental benefits for up to one (1) year. Upon written request, such leave may be extended for an additional year providing the layoff condition remains in effect. Such professional educators shall have the same rights to return to the District as professional educators returning from leaves of absence.

20.1.3.1 The provisions of ORS 342.934(2) (a) and (b) relating to transferring professional educators and combining positions to avoid layoff shall apply.

20.1.4 Technology

If during the term of this Agreement bargaining unit positions are to be eliminated due to technology, the District will first notify the Association of such possibility and allow opportunity for discussions of other options which may be available, including retraining.

20.2 Lay-off

20.2.1 Except as required by ORS 342.934 as it pertains to cultural competency and linguistic ability, professional educators shall be laid off according to length of continuous service with the District provided that those professional educators who are retained are both competent or will qualify as competent, and hold necessary licensure from TSPC or necessary certification or licensure under other professional disciplines. Length of service (seniority) shall be based on the first day of actual service with the School District. Leaves shall not be considered as interruptions of continuous service. If two or more professional educators have the same first date of actual service, seniority shall be determined by predetermined lot (done prior to the effective notice of layoff). Professional educators of less than half-time shall not be used to supplant professional educators who are half-time or more.

20.2.2 Competence shall be defined as the ability to teach a subject or grade level based on recent teaching experience related to that subject, as further defined by Appendix D, or grade level within the last five years, or educational attainments, or both, but not based solely on being licensed to teach. The District shall consider a professional educator's willingness to undergo additional training or pursue additional education in deciding upon questions of competence. Grade level shall mean the grade levels PK-8, or 6-12. For the purpose of the articles on layoff and transfer, Behavior Management Specialists, Student Services Specialists, Child Development Specialists, Social Workers, School Psychologists, Audiologists, Special Education, English as a Second Language, and Bilingual Programs shall be considered as "subjects." For the purpose of the articles on layoff on transfer, a Bilingual Program is defined as a program where 50% or more of student instruction is in a language other than English.

20.2.3 Professional educators who do not have recent experience in the subject or grade level where they seek to be retained may nevertheless qualify as competent if they have completed recent (within the most

recent five years) training that is agreed upon by both the district and the professional educator as adequate preparation for the assignment or are willing to complete training applicable to that subject or grade level. TOSAs, mentor teachers, and other specialists who work primarily with adults shall qualify as being competent in the subject area or grade level that they previously occupied within PPS even if they have been out of the position that primarily provides direct service to students for longer than five years. This provision shall also apply to released-time PAT officers.

- 20.2.4 If the professional educator asserts a right to be retained in a position(s) where they have not had recent training or experience as defined above, the District and professional educator shall review the professional educator's training and experience to that date and determine the course of training to be completed. The District shall reimburse the professional educator for tuition according to Section 22.2.2 for any credit hours required by the District in this retraining plan. Professional educators may use their 12 hours of tuition reimbursement for a two-year period without limit in any one year for coursework required by the retraining plan. If the District and professional educator mutually agree, mentoring or other educational opportunities may be substituted for all or part of the college or District in-service credit required. The District shall provide final notification of the training or additional education requirements to be required and the timeline required, and the professional educator shall either accept the training as a condition of accepting the position or shall decline and thus be laid off.
- 20.2.5 Following the implementation of a layoff, the District may administratively transfer professional educators in accordance with Article 18 who remain as necessary to meet staffing needs.
- 20.2.6 If a professional member is to be/is fully or partially laid off and a portion of an assignment becomes available for which the professional educator is licensed and competent, the District shall assign the FTE to the professional educator or offer to recall the professional educator to that portion of the assignment. Professional educators who are partially laid off (have reduced FTE) shall have recall right to the portion of their position that was reduced. However, the District may reduce and/or increase FTE following Article 7 part-time FTE fluctuation without this resulting in a layoff.
- 20.2.7 No bargaining unit position in the District shall be considered "vacant" for purposes of ORS 342.845(5) if filling the position with a non-extended administrator would cause another professional educator to be laid off, or if there is a professional educator on the recall list who would otherwise be entitled to be recalled to that position.

20.3 Layoff Benefits

- 20.3.1 The District shall provide medical benefits to professional educators who are laid off for a period of three (3) months following the month in which their coverage would otherwise end. The laid off professional educator may then continue medical benefits at their own expense in accordance with the provisions established by the Health and Welfare Trust.
- 20.3.2 Professional educators covered by this article shall be given consideration for work as a substitute; such will not affect the professional educators' recall rights.

20.4 Recall

- 20.4.1 Professional educators who are laid off shall have the responsibility when asked originally to notify the District of their interest in and willingness to be recalled. They must reaffirm such interest by notification to the District's Human Resources Department, in writing, if asked, on or before April 1 of every year for three (3) years following their effective date of layoff.

- 20.4.2 Professional educators who are laid off shall be recalled to positions they are licensed and have competence or will qualify as competent (as defined in Section 20.2) to fill when a vacancy occurs, in the order of most senior first.
- 20.4.3 A professional educator who has been laid off may refuse one (1) job offer without loss of recall rights.
- 20.4.4 Professional educators who are recalled for an FTE amount less than their FTE amount at the time of layoff may decline the position and remain on the recall list until another position becomes available that is comparable in FTE to the position at the time of layoff. A member on lay-off who accepts a lower FTE job offer, shall remain on the recall list for their original FTE position.
- 20.4.5 The District's obligation to recall a professional educator shall terminate following three (3) years of layoff status or upon two (2) refusals by a professional educator to accept a position offered by the District or if the professional educator resigns.
- 20.4.6 If a professional educator is recalled, the professional educator must indicate their acceptance within five (5) days following receipt of the notice of recall. The professional educator must report for work within thirty (30) days within up to sixty (60) days if the employer does not release such professional educator or sixty (60) days if employed by another District, following receipt of such notice or be considered to have refused the position. In doing so, shall relinquish any and all rights under this Agreement and shall be deemed as having resigned their employment with the District.
- 20.4.7 A professional educator who is recalled and returns to work shall return with the same probationary or contract status, placement on the salary schedule and all other seniority-related and accrued benefits held prior to being laid off.

ARTICLE 21 MENTOR PROGRAM

21.1 Professional Educator Mentor Program

- 21.1.1 The District intends to maintain a mentor program for the purpose of providing support and assistance to new and/or inexperienced professional educators.
- 21.1.2 The District intends that the Professional Educator Mentor Program described in Article 21 of this Agreement, in addition to academic mentoring, also provide a culturally specific mentoring support program to newly hired educators of color, who may request a mentor of color. Educators of color who volunteer to provide this support shall be compensated at 3% percent of base salary, for each colleague they support.
- 21.1.3 Depending on the needs of the District and the mentor program, mentors may be assigned on either a full-release or an extended responsibility basis.
- 21.1.3.1 Full-release mentors shall be compensated according to placement on the salary schedule plus one thousand five hundred dollars (\$1500) per school year.
- 21.1.3.2 Extended responsibility mentors shall be compensated according to placement on the salary schedule, plus they shall receive extended responsibility pay per school year in accordance with Appendix B.
- 21.1.4 The mentor program shall operate within the following parameters:
- 21.1.4.1 A professional educator must have contract status and four (4) or more years of experience in the District in order to be eligible to be a mentor. No professional educator shall be designated as a mentor without their consent.
- 21.1.4.2 Mentors shall not participate in the evaluation of beginning professional educators (mentees). Observations made and data collected by the mentor shall be used solely for the purpose of providing assistance to the mentee and shall not be used in the evaluation of the mentee. Supervisors/evaluators and mentors shall not discuss individual mentee concerns/areas for improvement without the prior approval of the mentee. Written or other reports of a mentor regarding a mentee may not be used in the mentee's evaluation.
- 21.1.4.3 At the educator's request, the mentor program may be used as part of a Plan of Assistance¹ for any professional educator. All language in 21.1.4.2 shall apply to mentors whose mentees are on a Plan of Assistance.
- 21.1.4.4 Collaborative Assessment Logs (CAL) shall not be shared with supervisors or used in the evaluation of the mentee. Self-assessment instruments shall not be used to evaluate mentors or mentees.

- 21.1.4.6 Any professional educator released from regular duties to participate in activities related to the mentor program shall be released without loss of pay and shall not be charged leave. Mentors and mentees who are asked and volunteer to work up to five (5) days outside the standard school year shall be compensated at their per diem rate of pay.
- 21.1.4.7 The ratio of mentors to mentees in the full-release model shall be no more than 1 to 15. Any change to the ratio shall be by mutual agreement between the District and the Association. The extended responsibility mentor model operates on a one-to-one basis.
- 21.1.4.8 The Association shall partner with the District in the selection of mentors. The Mentor

¹ The language used here to describe a Plan of Assistance must be aligned to match the language in the Evaluation Handbook that refers to Programs of Assistance of Improvement.

Selection Rubric shall not be used to evaluate a professional educator. Videos of mentors' coaching practices shall not be used in the evaluation of mentors.

- 21.1.4.9 Reconsideration of assignments shall not result in a reduction of FTE assigned to any mentor.
- 21.1.5 The mentor program may be expanded or discontinued at the discretion of the District.
- 21.1.6 Any professional educator new to the profession, or new to the District, who are required for licensure to complete a clinical fellowship will receive support, as available, from a professional educator that volunteers and that meets the licensing/certification supervision requirements. The volunteer supervisor shall receive up to 36 hours of extended hours pay for supervision related to the completion of the clinical fellowship year.
- 21.1.7 Special Educators new to the profession or new to the District will receive mentorship and/or peer support during the first three (3) years of employment in the District based upon available peer support. The District will make reasonable efforts to recruit Special Educators as peer mentors and survey contract Special Educators every Semester to recruit mentors. When possible, this mentorship or support will be offered through a Special Education colleague at their work location who will be provided time in their workday to provide support and will be paid extended hours for each hour worked for any work done outside of the contract day². If no Special Educator is available at the work location, the District will provide a mentor or peer support from another work location.

² A professional educator who chooses to provide mentorship during their individual planning time or case management time, including the 15 minutes at the end of the work day, can do an equivalent amount of planning time outside of the work day and be compensated at their hourly rate for the length of the mentor session.

ARTICLE 22
PROFESSIONAL GROWTH

- 22.1 The District and the Association support the principle of continuing training for professional educators, participation by professional educators in professional organizations in the areas of their specializations, and leaves for work on advanced degrees or special studies, foreign travel and participation in community education projects.
- 22.2 The Guidelines for Professional Growth/In-service shall be revised by the District and the Association and distributed to professional educators.

22.2.1 Continuing Education Obligations

It is recognized that there may be in-service offerings that professional educators are requested by the District to attend outside the normal professional work day described in Articles 6 to 8. In such cases, professional educators who agree to attend shall be paid at the professional educator's regular hourly rate under the salary schedule.

22.2.2 Tuition Reimbursement¹

22.2.2.1 The District shall pay the full cost of tuition and other reasonable coursework expenses (e.g., laboratory fees, books, and the like) incurred in connection with any specific courses, workshops, seminars, conferences, in-service training sessions, or other such sessions in which attendance is specifically requested or required by the District. This section applies to coursework and other expenses (including testing and other licensure fees) related to adding other licensures requested by the District.

22.2.2.2 The District shall reimburse professional educators for tuition cost for up to six (6) non- cumulative hours in a 12-month period for which graduate credit is granted by a college or university. Reimbursement shall be for the cost of tuition or the tuition rate for graduate courses at Portland State University, whichever is less. Coursework must be toward an advanced degree, TSPC licensure, professional education courses, or related to the professional educator's assignment. Evidence of a passing grade is required. Reimbursement shall not be made for books, lab fees, I.D. cards, gym fees, food, housing, transportation, supplies or other tuition expenses. Professional educators shall be reimbursed within sixty (60) days of submitting proof of satisfactory completion of the course. A professional educator must remain employed with the District for at least one (1) semester following reimbursement.

22.2.2.3 Tuition reimbursement funds shall be available to temporary professional educators employed for a position that is expected to exist for more than one hundred thirty-five (135) days. In addition, a temporary teacher who is employed for less than one hundred thirty-five (135) days may apply and may be approved for tuition reimbursement if their building administrator supports their application for the funds. The temporary teacher who receives tuition reimbursement must remain employed with the District for at least one (1) semester following reimbursement if the District offers the temporary teacher continued employment.

22.2.3 National Board Certification Fees

Reimbursement shall also be made for the fee charged to a professional educator who takes and passes a National Board Certification to obtain a specialty area endorsement. This amount shall be within the tuition cost as stated in Section 22.2.2.2.

22.2.4 State-Approved Professional Exams

A professional educator may access their professional growth funds for requests for State Approved

¹ Tuition reimbursement and professional development funds are separate pools of funds.

Core Academic exams such as the Praxis or Oregon Educator Licensure Assessment (ORELA:NES). Professional educators shall be reimbursed following sixty (60) days of submitting documentation of a passing score.

- 22.3 The District shall pay, either through reimbursement to the professional educator or direct payment to the appropriate agencies, for the cost of fingerprinting for licensure/certification renewal.
- 22.4 Because Speech and Language Pathologists, Licensed Professional Counselors, and Licensed Clinical Social Workers participate in Medicaid billing for services, the District shall pay for licensure costs/fees for these eligible staff to obtain or renew licensure from Board of Examiners for Speech-Language Pathology and Audiology, the board of Licensed Professional Counselors and Therapists, and the Board of Licensed Social Workers.
- 22.5 Student Teachers/Interns
- Upon mutual agreement between the professional educator and the District, student teachers, interns or observers may be placed with the professional educator. The District will request that the college or university advise the professional educators of the type and amount of honorarium to be paid at the time the professional educators are asked to be a supervising teacher/educational professional.
- 22.6 The District and the Association agree pipeline programs for future educators of color to join the District align with the District's and the Association's core values of racial equity and social justice and student achievement, particularly underserved students. The parties are in support of programs, such as the Portland and the District's Career Lattice Programs focused on educators of color, including the EA/Para-Teacher track and the Coach to Teacher Track. Applicants who have participated in the Portland Teacher Program, EA/Para-Teacher track, Coach to Teacher Track, or any other future Career Lattice Program focused on educators of color are eligible to receive letters of intent as described under Article 18.4.4.1.
- 22.7 Professional Growth Fund
- The District agrees to annually budget a fund to pay the expenses of professional educators who work half-time (.5) or more to attend professional conferences.
- 22.8 A conference to be attended may be selected by the professional educator. Approval shall not be denied provided the conference is consistent with District goals including racial equity, climate justice, and has a legitimate pedagogical purpose. Transportation, meals, lodging, and registration shall be deemed appropriate expenses. Meals shall be reimbursed at the IRS rate, which shall be adjusted annually. A professional educator attending such conferences and meetings shall be granted sufficient leave time to attend without loss of compensation. The approval shall designate what portion, if any, of such leave time shall be charged against professional leave. Professional educators shall, upon request, submit a written report regarding such conferences. Professional educators are eligible for advances on professional funds when necessary documentation is presented. If an advance is not requested, professional educators shall be reimbursed within thirty (30) days of submitting complete and accurate documentation of expenses.
- 22.8.1 Professional educators are eligible for advances on professional funds when necessary documentation is provided. If an advance is requested by the professional educator and such advance request is approved by the District, payment in consideration of that advance will be issued within thirty (30) days of the date the expense is expected to be incurred. Consistent with IRS regulation and District policies and procedures, the District's Travel/Training Expense Reimbursement Request Form and all supporting documentation of expenses related to the advance received must be submitted no later than sixty (60) days from the date the actual expense was incurred. The District shall notify the professional educator of the sixty-day (60-day) deadline when the member is approved for the funds, and thirty (30) days after the approved trip is scheduled to begin. For this provision "days" means calendar days.
- 22.8.2 If an advance is not requested, professional educators shall be reimbursed within thirty (30) days of submitting complete and accurate documentation of expenses. Consistent with IRS regulations and District policies and procedures, the District's Travel/Training Expense Reimbursement Request Form and all supporting documentation of expenses must be submitted no later than sixty (60) days from the date the expense was incurred.
- 22.8.3 If a professional educator submits for reimbursement beyond the sixty (60) day limit, the amount of reimbursement shall be reduced by the amount of employer and employee associated taxes.

- 22.9 The cost of substitutes made necessary by attendance at conferences for which expenses are paid from the fund shall be borne by the District and shall not be charged against the fund.
- 22.10 The Guidelines for use of the Professional Growth Fund shall be revised by the District and the Association and distributed to professional educators. Under this Agreement, the following guidelines shall be implemented:
- 22.10.1 Two Thousand Two Hundred Dollars (\$2,200) shall be available to professional educators only once every three years.
- 22.10.2 Applications must be processed within one (1) week of being submitted by the professional educator.
- 22.10.3 These funds shall not be available to temporary professional educators unless the temporary educator is employed for a position that is expected to exist for more than one hundred thirty-five (135) days. In addition, a temporary teacher who is employed for less than one hundred thirty-five (135) days may apply and may be approved for Professional Growth Funds if their building administrator supports their application for the funds and expects the individual to be re-employed by the District the following year.

ARTICLE 23
PROFESSIONAL EDUCATOR RIGHTS AND JUST CAUSE

- 23.1 No professional educator shall be disciplined, reprimanded, or reduced in compensation without just cause. Reprimands shall be made privately and not in the presence of students, parents, professional educators or members of the community. Professional educators who have completed three (3) full years of service and are not covered by the Fair Dismissal law shall not be dismissed without just cause. Plans of Assistance and Letters of Expectation are not disciplinary and shall not be issued for misconduct.
- 23.2 A determination of sexual conduct or abuse as provided by Oregon law is subject to just cause and other contractual provisions and may be grieved as outlined in Article 5.
- 23.3 This Article does not apply to dismissal, except as provided in Section 23.4, or nonrenewal of professional educators. However, professional educators subjected to nonrenewal or dismissal shall be afforded the procedural rights of due process.
- 23.4 In the event of dismissal from employment a contract professional educator may elect to appeal the dismissal to binding arbitration in accordance with Section 5.5 of this Agreement, or the Fair Dismissal Appeals Board, but not both. Dismissal shall mean termination during the contract year for any professional educator or a second non-extension of a contract professional educator. The professional educator must so notify the Superintendent, in writing, within ten (10) calendar days after receipt of notice of the dismissal decision of the District's School Board. Just cause shall not apply to probationary professional educators who are non-renewed or dismissed, and temporary professional educators completing the term of their contract may not appeal to arbitration.
- 23.5 The personal life of a professional educator is not an appropriate concern of the District, except where it relevantly affects the professional educator's fitness for or performance of their professional duties.
- 23.6 Removal from an Extended Responsibility Assignment
- 23.6.1 If a professional educator is removed from an extended responsibility assignment, upon request they shall be given the reasons in writing and afforded the opportunity to have a representative present in any discussion with the supervisor.
- 23.6.2 If a professional educator starts an extended responsibility assignment during a school year, and the professional educator is removed from the responsibility during the school year, the professional educator shall be paid the entire salary due for that assignment, unless the professional educator is physically unable to perform the extended responsibility assignment.
- 23.7 Administrative Support at Parent Meetings
- A professional educator has the right to administrative support at any meeting with a parent. Professional educators shall not be required to meet with a parent without a workday's advance notice. If during any meeting with a parent and administrator it appears to the professional educator that complaints are being made that could result in the discipline of the professional educator, that professional educator has the right to ask for representation before continuing the meeting. A professional educator has the right to ask the supervisor to take administrative charge of the meeting when such a meeting is dealing with the job performance of or a possible action against the professional educator. Recordings shall not be allowed without the consent of the professional educator.

23.8 Investigations

Whenever a professional educator is directed to meet with an administrator or other representative of the District regarding a matter which could result in disciplinary action, termination, nonrenewal or layoff, the professional educator shall be given prior written notice including:

- 23.8.1 A description of the issue to be discussed in such meeting; including specific examples of the time, place and type of action being investigated, if known, at the meeting.
- 23.8.2 The right to have representation by the Association or private legal counsel present to advise the professional educator during the meeting.
- 23.8.3 If additional reasons for a meeting emerge after the initial notice, the District will provide an additional notice with the additional reasons. If the professional educator believes there is insufficient time between the additional notice and the meeting, the District can choose between rescheduling the meeting later to investigate all reasons, or schedule a second meeting for the additional reasons.
- 23.8.4 Professional educators are not to be interviewed or questioned at the time of notice.
- 23.8.5 If the allegation is related to sexual conduct or abuse, the investigation will be conducted by Employee and Labor Relations and/or an appropriate subject matter expert for sexual misconduct or abuse.
- 23.8.6 Bargaining Unit Members shall not conduct investigations of other bargaining unit members.
- 23.8.7 The parties shall cooperate in good faith to schedule the meeting within a reasonable period of time. The parties shall identify their respective representatives and communicate it to the other party prior to the meeting.
- 23.8.8 This section does not apply to a meeting where the sole reason for the meeting is to discuss re-assignment.
- 23.8.9 The written notice of the meeting shall not be placed into the professional educator's building file or personnel file but may be kept in an investigation file.
- 23.8.10 At the conclusion of the investigation, a determination will be issued and retained in the investigation file. A copy of the determination will also be provided to the professional educator. The determination shall be issued within thirty (30) calendar days of the conclusion of the investigation unless there are extenuating circumstances.

23.9 Letter of Expectation

- 23.9.1 A Letter of Expectation is a written notice of an expectation, standard, policy or procedure arising from a complaint or an administrative concern. Letters of Expectation will not include standards stated in the evaluation rubric. A Letter of Expectation is not a finding of fault or misconduct and is not a disciplinary action. The District will only cite Letters of Expectations in discipline as written notice of an expectation, policy, standard, procedure, directive or rule that are related to the underlying conduct.
- 23.9.2 A Letter of Expectation must conform to the template agreed upon by the parties (Appendix K). Letters of Expectation shall be placed in the official district personnel file. Letters of Expectation shall be removed from the official district personnel file after six (6) years. Professional educators who have received a Letter of Expectation have the right to review any letters of expectation addressed to them and attach a response.

23.10 Paid Administrative Leave or Alternative Assignment

- 23.10.1 A professional educator who is removed from work pending an investigation and is available to report to work shall be placed on paid administrative leave or the District may place the professional educator in an alternative assignment. Alternative assignments will not result in a reduction in compensation or benefits.

- 23.10.2 If the professional educator on paid administrative leave is unavailable to report to work, they will be removed from paid administrative leave status and will be able to appropriately use any leave accruals until the professional educator is available to report to work and be placed back on paid administrative leave status.
- 23.10.3 The District shall not dock a professional educator's paid leave balance in lieu of actual time off for a disciplinary suspension, or retroactively change Paid Administrative Leave to unpaid disciplinary suspension, unless there is agreement by the employee and Association.
- 23.10.4 Paid administrative leave or alternative assignment should be limited to situations where:
- 23.10.4.1 The presence of the employee in the workplace might tend to interfere with an investigation;
 - 23.10.4.2 There are concerns the employee will repeat the alleged serious misconduct;
 - 23.10.4.3 Removal of the employee from the worksite is appropriate to maintain the safety and security of students and/or staff; or
 - 23.10.4.4 The alleged misconduct is serious enough to result in dismissal, if substantiated.
 - 23.10.4.5 Paid administrative leave is required by law.
- 23.10.5 Paid administrative leave letters will conform to the template attached as Appendix L of this Agreement and provide a description of the reason for the paid administrative leave, which is sufficient for the employee and Association to understand the events being referenced. The Association may contact the District's Labor Relations Office for additional information. The District shall place paid administrative leave letters in the investigation file, not in the professional educator's personnel file.
- 23.10.6 The investigation shall be conducted promptly in order to limit the time that the professional educator is involuntarily away from work. Investigations of professional educators on Paid Administrative Leave will be given priority over other investigations. If the administrative leave pending investigation lasts longer than ten (10) work days, the District shall notify the professional educator in writing of the reasons.
- 23.10.7 While on administrative leave, if a professional educator needs access to their PPS email to gather evidence for the investigation, the District will work with the Association to allow for that access. By arrangement with the site administrator, the professional educator shall also have access to materials from their classroom or office.
- 23.10.8 School and program administrators will not communicate that a professional educator is on administrative leave or disclose the reason for the administrative leave to staff, parents, students or the public. In the case where violence, child endangerment or criminal behavior is alleged, the administrator can inform those who need to know that the professional educator is not at the school. In all cases, when asked directly about the professional educator's whereabouts, the Administrator may respond that the professional educator is not at the school.

23.11 Required Examination by Physician

- 23.11.1 The District may direct a professional educator to be examined by the professional educator's physician if there exist substantive reasons which call into question a professional educator's ability to perform assigned duties. The professional educator shall be counseled as to the concern that has prompted the referral. The professional educator shall provide the District a statement from their personal physician that confirms that the District's concern is being addressed and that the professional educator is able to perform assigned duties or is unable to continue at the present time. The professional educator will not be required to release her/his private medical records.
- 23.11.2 If the professional educator does not have a physician, or a substantive reason exists, the District may direct the professional educator to be examined by the District's physician. The District shall provide the professional educator with the reasons prior to being examined by the District's physician. The

District shall pay for any such examinations and also provide the necessary release time. The District shall request that the physician only disclose medical information specific to the reason that prompted the referral.

23.12 A professional educator shall not be required by the District to involuntarily submit to testing of bodily fluids unless there is a substantive reason to believe the health and safety of others is at risk.

23.13 Exceptional Medical/Health Care Needs

Professional Educators routinely have assigned to their regular classrooms students with special needs. Some of these students have exceptional medical/health care needs that are of a nature requiring the use of technical procedures, medical hardware, or supplies in personal health maintenance cycles. Professional educators shall not be required to have back-up training or responsibilities for the medical procedure. (This does not eliminate the option of professional educators assisting in emergencies or in volunteering to participate in training and practices for which they feel some comfort.)

23.14 Lost Keys

Professional educators shall not be required to reimburse the District for lost keys. Professional educators will not be responsible for re-keying District facilities. Professional educators shall be responsible for safeguarding keys in accordance with District regulations.

23.15 Standardized Testing

Student performance on standardized tests is not designed or intended to and shall not serve as the basis for involuntary transfer, layoff, recall, placement on the salary schedule, and/or disciplinary action.

23.16 Respectful Working Environment

23.16.1 Purposeful, intentional conduct by an individual or group of individuals against another, if a reasonable person would consider the behavior to be threatening, intimidating or offensive, is inconsistent with a respectful work environment. Examples include verbal abuse or other behavior that demeans, threatens, humiliates or intimidates others in the workplace. No professional educator shall be retaliated against for reporting, grieving or protesting such behavior. Likewise, no professional educator shall retaliate against a co-worker, or other District staff for reporting, grieving and/or protesting such behavior on the part of a professional educator. This section shall not be interpreted to mean that bargaining unit members may file a grievance against other bargaining unit members.

23.16.2 Reasonable counselling, discipline or job performance evaluations are consistent with a respectful working environment and are not prohibited by this provision.

23.17 The District shall comply with Oregon law that prohibits the use of polygraph examinations for employment purposes (ORS 659A.300); and prohibits an employer from requiring an employee to provide access to the employee's personal social media account (HB 2654 effective January 1, 2014).

ARTICLE 24
NON-DISCRIMINATION

- 24.1 In matters of wage, hours and employment relations, or any other matter covered by this Agreement, the District agrees to follow a policy of not discriminating against any professional educator on the basis of race, color, national origin, ancestry, sex, age, weight, height, marital status, religion, disability, sexual orientation, gender identity, lawful off-duty political activity or associations, membership or non-membership in the Association or participation in its activities, the fact that the professional educator's residence is outside the District, or as otherwise provided by School Board policy.
- 24.1.1 However, this provision shall not be construed to prevent the following:
- 24.1.1.1 District participation in programs conducted in an effort to increase opportunities for historically underserved groups, subject to the provisions of this Agreement;
 - 24.1.1.2 distinctions authorized by law; and/or
 - 24.1.1.3 consequences of District policies pertaining to assignment of spouses both employed by the District if one is an administrative or supervisory employee.
- 24.2 The interpretation given to this Article shall be consistent with the proper interpretation of the provision of the Oregon Fair Employment Practices Act contained in ORS Chapter 659A. A grievance alleging violation of Section 24.1 of this Article may not be appealed to arbitration if the alleged discrimination is based on one or more legally protected classes.

ARTICLE 25
COMPLAINT PROCEDURE

- 25.1 “Complaint” typically originates from a parent, other citizen, or a nonsupervisory third party.
- 25.2 Investigations into complaints of sexual misconduct, harassment, or abuse, will be conducted by a Senior Partner or other comparably experienced member of Employee and Labor Relations and/or an appropriate subject matter expert
- 25.3 If a complaint is made to a supervisor about the professional educator and the supervisor believes it warrants further consideration, such complaint shall be handled as follows:
- 25.3.1 After hearing the complaint, the supervisor will request that the complainant discuss the matter directly with the professional educator, except if the complaint involves allegations of sexual conduct or abuse or if the supervisor has a concern about the safety of any party. The supervisor shall not be involved in this discussion unless their presence is requested by either party.
- 25.3.2 If the complainant refuses to discuss the matter with the professional educator or, if after discussing the matter with the professional educator the complainant is still dissatisfied, the supervisor will cause the complaint to be reduced to writing.
- 25.4 If the supervisor decides to proceed further with the written complaint, it shall be processed within ten (10) workdays of receipt under the following circumstances:
- 25.4.1 If the evaluating supervisor intends to make a record in the evaluation report of the professional educator against whom the complaint was made;
- 25.4.2 If the supervisor intends to place a record of such complaint in the professional educator’s personnel file or the building file;
- 25.4.3 If in the supervisor’s judgment such complaint is sufficiently relevant to the professional educator’s performance so as to indicate the need to meet (The professional educator may have a representative present at any such meeting.); and
- 25.4.4 If a professional educator learns of a complaint and requests a meeting.
- 25.5 The supervisor shall meet with the professional educator and shall describe the nature of the complaint including specific examples of the time, place and type of action complained of, if known, at the conference. The professional educator may have (a) representative(s) present at such meeting. The name of the complainant may be given as part of the discussion of such specifics. The unit member will have an opportunity to respond fully to the complaint. If, however, the complaint is used in any manner to support actual or recommended discipline, administrative transfer, nonrenewal or dismissal, such record shall be placed in the personnel file and the complainant’s name shall be disclosed if the unit member so requests.

ARTICLE 26
PERSONNEL FILE

- 26.1 There shall be only one official District personnel file, which shall be maintained by the Human Resources Department. If the District plans to move to an electronic personnel system, it shall give prior notice to the Association.
- 26.2 With the exception of items which are duplicates of those in the District file, evaluation materials as described in the *Portland Public Schools Handbook for Professional Growth and Evaluation*, and in-service records, and other official records, materials in the supervisor's building file, including Letters of Expectation, shall be removed when the supervisor or the professional educator is transferred.
- 26.3 Each professional educator shall have the right upon request to review the contents of their District personnel file as well as any similar building file maintained by their supervisor. Upon request, the professional educator shall be provided with a copy of all or part of their personnel file from the District.
- 26.4 A representative of the Association may:
- 26.4.1 at the professional educator's request accompany the professional educator in this review; or
 - 26.4.2 be authorized by the professional educator in writing to review the file.
- 26.5 Section 26.4 does not limit the Association's right to information under the PECBA.
- 26.6 A professional educator shall be provided a copy of any materials relating to the professional educator's work performance if such materials are to be placed in the professional educator's personnel file. A complaint shall not be placed in the professional educator's personnel file unless accompanied by a written directive from the administrator. Each professional educator's personnel file subject to review shall contain the following minimum items of information:
- 26.6.1 all professional educator evaluation reports
 - 26.6.2 transcript of academic records
 - 26.6.3 contract status recommendation.
- 26.7 The professional educator may respond to any item placed in the professional educator's personnel file or the record described above of the professional educator maintained by the supervisor and said response shall become a part of the file. A professional educator may request and have granted that any materials in the District personnel file (excluding evaluations and letters stating final disciplinary actions) be removed from their file if after three (3) years of being written no subsequent similar entries have been made into the professional educator's personnel file.
- 26.8 Letters of Expectation shall be removed from a professional educator's official district personnel file six (6) years after the date of the Letter of Expectation.

ARTICLE 27 EVALUATION

- 27.1 The performance of professional educators shall be evaluated in writing in accordance with the provisions of the *Portland Public Schools Handbook for Professional Growth and Evaluation* (hereafter referred to as the “*Handbook*”) dated December 16, 2013. Any revisions of the Handbook shall be mutually agreed upon. The jointly agreed upon evaluation forms will be included in the Handbook.
- 27.2 The Handbook and appendices shall be made available in electronic form to all professional educators and District administrators. An electronic copy of the Handbook and appendices, including the Framework and appropriate forms setting forth criteria to be used in evaluations, shall be distributed to professional educators whenever the Handbook is revised and to all professional educators who are being newly evaluated using the Handbook.
- 27.3 An evaluator’s rating of a professional educator in an element or a component shall be based on direct evidence supporting the rating and the evaluator shall include the evidence in the written evaluation.
- 27.4 Testing
- Student performance on District-wide and/or other standardized tests may indicate where modifications of instruction are required, and the implementation of such modifications may be part of the evaluation process. However, evaluations or criticism of a professional educator shall not be based specifically on the issue of comparisons of such student performances.
- 27.5 While varied sources of information are weighed and considered, observations of a professional educator’s performance and written evaluations shall be done only by licensed administrators. No member of the bargaining unit shall be the individual responsible for the evaluation of another member of the unit. Observations of professional educators made by non-administrators in the course of the non-administrators’ duties shall not be shared without written permission of the observed professional educator.
- 27.6 Evaluation Cycle
- 27.6.1 The evaluation cycle differs for probationary educators and contract educators. All professional educators in the bargaining unit shall be included in the definition of probationary or contract educators in accordance with Article 1: Status and Effect of Agreement.
- 27.6.2 Probationary professional educators shall be formally evaluated at least two (2) times during the school year. The written Formal Observation Summary (Form 5) shall be completed on the following schedule: Probationary 1: by October 31; Probationary 2: by the last working day preceding the Thanksgiving Holiday; and Probationary 3: by the last working day preceding the Winter Break. The Summative Evaluation Report (Form 6) for all probationary professional educators shall be completed by March 1st.
- 27.6.3 Unless substantive reasons exist, contract professional educators in Option 1 shall be on a two-year evaluation cycle. During year one (1), the Supported Phase of the cycle, contract professional educators will continue to work on their goals and reflect on their practice. During year one (1), the evaluator may conduct informal observations.
- 27.6.4 Substantive reasons shall include evidence of unsatisfactory performance as defined by the evaluation Framework, and as documented through informal observations. Assignment to a new building shall not be considered a substantive reason to be placed on a Supervised Phase.
- 27.6.5 During year two (2), the Supervised Phase of the cycle, the process of observations and conferences described in the Handbook will culminate in a summative evaluation meeting in which the evaluator

and professional educator shall review a written summative evaluation report. The summative evaluation report shall be submitted by May 1st of the year it is due.

- 27.6.6 Upon request, a professional educator shall be provided with a copy of the original notes made by the evaluator during an observation.
- 27.6.7 A copy of the written evaluation shall be submitted to the professional educator at the time of the formal evaluation conference or within ten (10) days thereafter; one (1) copy is to be signed and returned to the administration, the other is to be retained by the professional educator.
- 27.6.8 A professional educator having more than one supervisor shall not be subject to more than one evaluation cycle / supervised phase. In addition, there shall be one of the two supervisors who conduct the evaluation; the additional supervisor may submit notes related to an observation being conducted.

27.7 Evaluation Committee

No later than 90 days following the ratification of this CBA, the District and the Association will form a committee that will develop a mutually agreed upon updated process and evaluation tool for educator by May 1 of the year preceding the year it will be used. Half of the committee shall be PAT members appointed by the Association. The Evaluation Committee will meet to continue its work on the evaluation process and Handbook for revisions as needed.

27.8 Observations and Conferences

27.8.1 Formal Observations

- 27.8.1.1 Formal observations shall be preceded by a pre-observation conference and shall be followed with a post-observation conference.
- 27.8.1.2 Following the observation, the evaluator shall give a copy of the original observation notes to the professional educator.
- 27.8.1.3 A post-observation conference between the professional educator and evaluator shall take place generally within five working days following the formal observation and shall be private.

27.8.2 Summative Evaluation

- 27.8.2.1 A Summative Evaluation Report shall be completed for probationary professional educators and submitted by March 1. A Summative Evaluation Report shall be submitted for contract professional educators at least every other year by May 1st of the Supervised Phase.
- 27.8.2.2 The educator shall sign a copy of the Final Summative Evaluation Report to signify receipt of, not agreement with, the Report.

27.9 A professional educator or an administrator may request the presence of an observer at any formal evaluation meeting.

27.10 In the event that the professional educator feels that the evaluation was incomplete or unjust, they may put their objections in writing and have them attached to the evaluation report to be placed in their personnel file. Such written objections shall normally be made within thirty (30) days of receipt of the evaluation.

27.11 Plan of Assistance

27.11.1 The Plan of Assistance shall be in writing and include the following:

- 27.11.1.1 A description of the deficiency which is to be addressed by the Plan of Assistance; and
- 27.11.1.2 A plan for achieving the desired performance improvement. The plan of assistance shall include:
 - a. The description of the improvement in performance that the educator is expected to achieve;

- b. A description of resources to be used and assistance to be provided by the District; and
- c. The plan shall contain a reasonable timeline for completion and include a schedule for assessing progress towards achieving improvement in performance.

27.11.2 Upon request of the professional educator, following successful completion of a Plan of Assistance, the educator shall be given written verification. A copy of this notice shall be placed in the personnel file.

27.11.3 Waiver

27.11.3.1 The parties agree that the provisions of ORS 342.895(5) are hereby waived by the District for the duration of this Agreement. That is, should a grievance or other claim of violation of applicable evaluation procedures or fundamental unfairness in a Program of Assistance for Improvement be held by the Association or individual professional educator, such grievance shall be filed in a timely manner pursuant to the provisions of the grievance procedure set forth at Article 5: Grievance Procedure. Such a grievance shall not be held in abeyance for the timeline set forth in ORS 342.895(5). This waiver is subject to the repeal or amendment of ORS 342.895(5) during the term of this Agreement.

27.11.3.2 The parties understand that the filing of a grievance as described above shall not operate to delay or otherwise impede the District's right to implement the Program of Assistance for Improvement.

27.12 A grievance relating to an evaluation of a professional educator may be filed to the extent that it alleges:

27.12.1 An item the educator can demonstrate is untrue; or

27.12.2 A violation of the procedural requirements of this Article; or

27.12.3 A violation of (a) specific provision(s) of the Handbook and any revisions to that document.

27.13 Nothing in this Agreement shall be construed to limit the opportunity of the professional educator or of either party, to make claims concerning alleged violations of this Agreement or of policies, in their presentations to the Fair Dismissal Appeals Board.

27.14 A grievance arbitration will not result in a requirement that the evaluation be modified or withdrawn unless it is shown that a violation of the evaluation process as described above directly affected the outcome of the evaluation. If an arbitrator determines that a probationary professional educator was not evaluated as described in 27.12 and that the failure to follow the evaluation process directly led to the nonrenewal, discharge or dismissal, the arbitrator may reinstate the professional educator but shall have no authority to grant any additional years of employment status, including contract status, beyond that which existed at the time the original evaluation which was subject of the grievance occurred. Thus, the arbitrator shall have no authority to rule separately on the issue of the nonrenewal, discharge or dismissal of the professional educator.

ARTICLE 28
NEGOTIATION PROCEDURES

- 28.1 Neither party shall have any control over the selection of the representatives of the other party.
- 28.2 The parties mutually pledge that their representatives will hold all necessary authority to make and consider proposals and concessions in the course of bargaining, subject to ratification by the Board and Association, respectively.
- 28.3 The parties agree to enter into collective bargaining over the successor agreement no later than the first workweek in January of any affected year.
- 28.4 Release time with pay shall be allowed to a maximum of six (6) Association representatives to the committee for up to twenty-five (25) bargaining meetings. Up to two (2) representatives representing the Association may be released from assigned responsibilities for full-time, but without pay from the District. Other negotiation meetings conducted during the workday shall be at the cost of substitute(s) to the Association. Upon mutual agreement, these meetings may occur during off-duty hours.
- 28.5 Strikes and Lockout
- 28.5.1 Professional Educators and the Association will not be involved in any form of illegal work stoppage, boycott, or picketing concerning the District. Legally sanctioned activities authorized by ORS 243.726 or during reopened negotiations provided for in this Agreement are permissible. The District is not required to pay professional educators during any work stoppage.
- 28.5.2 There will be no illegal lockout of professional educators by the District, as a consequence of any dispute arising during the period of this Agreement.

ARTICLE 29
ADMINISTRATION OF AGREEMENT

29.1 Contract Administration Meetings

- 29.1.1 Meetings between designated representatives of the District and the Association shall normally be held monthly for the purpose of reviewing specific problems relating to this Agreement. Such meetings are not intended to bypass the grievance procedure. Such meetings shall constitute an “informal grievance” hearing if the issue concerns an action of a central administration office having impact on professional educators and qualifies as a grievance under the terms set forth in Section 5.1.1. If, after ten (10) days, the issue is not resolved at one or more meetings, the Association may file a formal grievance at Level II.
- 29.1.2 Each party shall submit to the other, on or before the Friday prior to the meeting, an agenda of items to be discussed.
- 29.1.3 Release time with pay shall be provided to a maximum of three (3) Association representatives for attendance at up to eight (8) such meetings. Additional representatives may be released, as needed, to address a specific agenda item, generally with one (1) weeks’ notice.

29.2 Joint Contract Trainings

The District and PAT shall jointly plan and present joint contract training for building/program administrators and building/program reps. Such training shall be held within six months of ratification of this agreement.

29.3 Amendment of Contract

Should an administration meeting result in a mutually acceptable amendment of the present contract, then said amendment shall be subject to ratification by the Board and the Association, provided that the designated representatives shall be empowered to effect temporary, mutually agreed upon alterations to resolve special problems.

29.4 Written Communications

Written responses regarding unresolved issues when requested by either party shall be made within two (2) weeks following the meeting. “Responses” may be only preliminary in nature. This Article does not preclude modification of positions or responses.

29.5 Building/Program Contract Administration Meetings

At the request of the Association designated representative, principal, or program supervisor, a monthly meeting shall be held for the purpose of reviewing the administration of this Agreement as it pertains to that building or program and resolving problems which may arise. These meetings shall include elected Association building/program representatives and building/program administrators.

ARTICLE 30 SPECIAL EDUCATION

- 30.1 It is the intent of the Portland Public Schools District and the Portland Association of Teachers to work together to meet the diverse and unique needs of the District's students receiving special education services and to comply with Federal and State laws and regulation. All students will receive an education within the Least Restrictive Environment (LRE) that provides them the needed support for a Free and Appropriate Education (FAPE).
- 30.1.1 Major districtwide changes to the District's special education program will be discussed in the Instructional Program Council (IPC) as indicated in Article 2, prior to implementation. Problems relating to this Agreement shall be addressed in Contract Administration Meetings per Article 29.
 - 30.1.2 If Portland Public Schools forms a Special Education steering committee or staff advisory, up to 6 representatives will be appointed by the association. Release time or extended hours will be utilized to allow for educators to participate.
- 30.2 Full Continuum of Special Education Services
- 30.2.1 The District and the Association recognize the necessity of timeliness in addressing the essential learning needs and conditions of the students. As such, the District shall maintain a full continuum of special education services and sufficient seats in a variety of programs to meet eligible students' identified special education needs within an appropriate individual program for each student in the least restrictive environment, consistent with State and Federal regulations. The District will allocate support as defined in the student's individual education plan (IEP).
 - 30.2.2 Individual student's special education services and service delivery model are determined by the student's IEP team that directly works with the student. If a more restrictive placement is determined to be needed, but is not available, additional staff and resources will be provided at the current building level to meet the needs of the student. Staff already assigned to the building for specific programmatic purposes shall not count as the additional staff. All IEP teams shall follow district policies and procedures. IEP team decisions are made following state and federal law in order to address student needs
- 30.3 The terms of this Article do not in any other way modify or amend the PAT/PPS collective bargaining agreement or its application to Professional Educators assigned to a Special Education position.
- 30.4 For all professional educators assigned to provide special education services to students in one or more buildings, Article 7.14 applies.
- 30.5 Staff Ratios and Caseloads
- 30.5.1 The District shall adhere to the Special Education class size and special educator caseloads thresholds delineated in Article 8 of this agreement.
 - 30.5.2 Special Education Teacher caseload refers to the number of students for which a staff member is providing IEP/due process case management, including:
 1. students in the initial evaluation process with signed consent to evaluate;
 2. students with transfer IEPs, both in and out of state;
 3. private school students with Service Plans;
 4. the number of incoming kindergarten students with services on Individual Family Service Plans (IFSP);
 5. projected numbers of incoming students for middle schools, high schools, special schools, and the Community Transition Program (outgoing students will not be included).
 - 30.5.3 At all levels, every effort will be made for special education teachers to serve students for which they case manage. At times when this is unachievable, IEP teams will balance the

workload collaboratively. Special Education teachers working with the student will decide on which caseload list the student is captured.

- 30.5.4 For Special education educators that do not provide IEP/due process case management, caseload refers to the number of students for which a staff member is providing services. Services may include but are not limited to the following activities: assess students, attend IEP process meetings (including the initial evaluation process for students with signed consent), provide specially designed instruction or related services, track student progress data, write evaluation reports, create materials for the student, facilitate group or individual activities, provide ongoing consultation with staff.
- 30.5.5 School Psychologist caseload is determined by the ratio of School Psychologist to students receiving special education services, including students in the initial evaluation process with signed consents.
- 30.5.6 Caseload for Speech Language Pathologists
 - 30.5.6.1 For purposes of transfer and assignment, caseload is defined in the SLP MOA.
 - 30.5.6.2 For purposes of overload pay as delineated in Article 8 of this agreement, caseload is defined in the SLP MOA with the inclusion of all students in the initial evaluation process with signed consent to evaluate.
- 30.5.7 The District and PAT agree to meet and negotiate caseload definitions for any newly created Special Education positions or Special Education positions where caseload is not currently defined, as appropriate.

30.6 Case Management

- 30.6.1 In addition to contractually provided planning days, special education professional educators required to complete due process paperwork shall be provided four (4) days of released time, per year, for that purpose. A special education professional educator may elect to use these days or the equivalent hours before or after the school year or outside their workday at their per diem hourly rate of pay.
- 30.6.2 All special education case managers will receive a case management period each day for due process paperwork, evaluation work, and IEP work.
 - 30.6.2.1 At the elementary level, the case management period will be at least 40 continuous minutes per day, and no less than 320 minutes total per week.
 - 30.6.2.2 At the middle school and high school levels, the case management period will be not less than the equivalent of one standard class period per day.
 - 30.6.2.3 High school special education educators will receive a substantially equivalent amount of case management time as other special educators.
 - 30.6.2.4 School Psychologists and Speech Language Pathologists are also entitled to self-schedule a period of time each day equivalent to a standard class period (or at least 40 minutes per day, and no less

than 320 minutes total per week, for those at the elementary level) for due process paperwork, evaluation work, and IEP work.

- 30.6.2.5 These periods of time for special education case managers, School Psychologists and Speech Language Pathologists reserved for special education paperwork will be in addition to planning time already guaranteed under Article 7.10.
- 30.6.2.6 Educators shall have access to students during their case management time.
- 30.6.2.7 Scheduling of this time will be determined by mutual agreement between the Educator and Administrator.

30.7 Special Education Policies and Procedures

Special Education policies, Administrative Directives and procedures shall be based on federal and state special education law. Any district policies and procedures shall be made available to all employees at the beginning of the school year. The District shall provide notice to the Association and staff anytime changes have been made to policies, Administrative Directives, procedures, and processes within a week of the proposed changes. If there are district procedures not specified in the OARs, they shall not cause an undue delay in special education processes (evaluation, eligibility or placement). The workload of professional educators shall meet general comparability as outlined in article 8.2.

30.8 Rights of Educators Supporting Students Receiving Special Education Services

30.8.1 All special education and general education teachers, including Core Enrichment teachers, will be provided:

30.8.1.1 access to a copy of the IEP/IFSP (as provided by law) of a student that they serve as soon as it becomes available in the records management system. This includes relevant records/reports in alignment with FERPA requirements such as related services, medical alerts, transportation needs, behavior or safety plan, evaluation reports, functional behavioral assessments, placement determinations and any other pertinent records.

30.8.1.2 Time to review the IEP/IFSP and other relevant records during the two and one half (2.5) professional development days prior to the start of the first student day.

30.8.1.2.1 If a student is being added to a classroom after the start of the school year, the professional educators who work with the student will be provided one full working day to review the IEP/IFSP and other relevant records before a student begins in their classroom or on their caseload. This is expected to be completed during the planning time and/or case management time and is not intended as an additional release time.

30.8.2 IEP case managers may request a meeting with their building administration and special education administration to discuss a student's progress when a student is not making appropriate progress due to unmet needs. This meeting shall not be denied.

30.9 IEP Process Meetings

30.9.1 Professional educators who are required to conference regarding IEPs shall have a substitute provided to allow for such meetings to occur within the workday. If a professional educator volunteers to attend such meeting outside of the workday, such member shall be compensated at their per diem hourly rate for conferences which take place beyond the contract day. A professional educator who chooses to conference during their individual planning time, including the 15 minutes at the end of the work day, can do an equivalent

amount of planning time outside of the work day and be compensated at their hourly rate for the length of the conference.

30.10 Special Education Spaces and Materials

Special Education professional educators shall have:

- 30.10.1 A dedicated, confidential office/classroom; If a dedicated office/classroom is unavailable, an appropriate confidential space will be provided each time a confidential work task is required;
- 30.10.2 Access to all instructional, academic, and curriculum materials available in the classroom for all the grade levels for which the Special Educator provides services, including student materials;
- 30.10.3 Access to age appropriate intervention materials for which the Special Educator provide services; and copies provided upon request; and
- 30.10.4 Materials and curriculum for social/emotional skill needs of the students available in the classroom.
- 30.10.5 The materials required by b and c shall be provided to the Special Education educator prior to the start of the school year unless on backorder or no longer published. In these instances, materials will be provided as soon as they are available.

30.11 Mentorship for Special Education Professional Educators

Special Educators new to the profession or new to the District will receive mentorship and/or peer support during the first three (3) years of employment in the District based upon available peer support. The District will make reasonable efforts to recruit peer mentors and survey contract Special Educators every semester to recruit mentors. When possible, this mentorship or support will be offered through a Special Education colleague at their work location who will be provided time in their workday to provide support and will be paid extended hours for each hour worked for any work done outside of the contract day. If no Special Educator is available at the work location, the District will provide a mentor or peer support from another work location.

ARTICLE 31
DURATION

- 31.1 This Agreement shall become effective the 1st day of July 2023 and shall continue through June 30, 2026.
- 31.2 Should there be an intervening change in financial resources available to the District which would demonstrably and drastically reduce the District's revenue, and thus, fiscal stability below the level being planned for at the time of the development of this Agreement, the parties will meet to analyze the impact and resulting status and to mutually make modifications that may be judged to be necessary and in the best interests of the parties.

Such extended responsibilities shall be required and shall be automatically calculated in the professional educator's salary. If the school does not have a regular classroom assignment (e.g., no newspaper class), the extended responsibility would not be included under this section. In such cases, the extended responsibility would be voluntary.
- B.2 Extended responsibility pay shall only be paid as provided in this contract at the rates indicated without variation.
- B.3 The extended responsibility rate shall be the base salary rate in Appendix A (Step 1 on the BA + 15 column). This is the figure against which all extended responsibility percentages are factored for the duration of this Agreement.

It shall include, but not be limited to: Math, Social Studies, Language Arts, Science, Health, Art, Special Education, and World Languages. For certain areas of study, including PE, Music, and CTE, “subject” is more narrowly defined to specific types of courses as indicated in the table below.
- D.2 Since professional educators must also be properly licensed for their assignments, assignment notices shall typically include endorsement areas such as Spanish, Chemistry or Advanced Math.

Area of Study	Subject
Music	Band Orchestra Vocal music/choir
PE	Adaptive PE PE
CTE: Agricultural Science and Technology	Sustainable Agriculture
CTE: Business Management & Administration	Accounting and Financial Services Administrative Services General Business Education Marketing Office Technology Accounting and Financial Services

- D.4 CTE teachers are vetted through an Instructor Appraisal Process. Applicants, with assistance from the CTE Regional Coordinator, assemble an Instructor Appraisal Committee (IAC). If approved, the IAC recommends a Professional Development Plan and NCES codes/courses that the instructor is allowed to teach.
- D.5 Bi-lingual and immersion programs conducted in a language other than English shall be a separate subject for purposes of determining competence for transfers and layoff.
- D.6 Either party may bring additional areas of study/ subjects to contract administration to be considered for inclusion in the chart above. Such additions must be mutually agreed upon. Additions to the chart may not take effect during the traditional staffing period in the spring/summer.

APPENDIX E
MAINTENANCE OF INSURANCE BENEFITS

- E.1 Section 13.1.5 provides for the maintenance of the benefits over the term of this Agreement. The benefits to be maintained shall be amended to allow the School District No. 1 Health and Welfare Trust to choose Regence Blue Cross/Blue Shield as the third-party medical claims payer for the self-funded health plans only as specifically described below.
- E.1.1 Effective February 1, 2014 the benefit levels for Level 3 (out of network) claims under the Trust's self-insured medical plans are modified to conform with Regence's operational practices, specifically as follows:
- E.1.1.1 Direct payment shall not be required to out-of-network providers; and
- E.1.1.2 Regence's definition of "usual and customary" rates shall apply.
- All other plan benefits shall continue as described in the Trust's plan documents.
- E.1.2 This agreement is not intended to bind the School District No. 1 Health and Welfare Trust from changing medical claims payers at any time. Should the Trust choose to replace Regence as a third-party claims payer, the new claims payer shall use definitions (usual and customary, medical necessity, and durable medical supplies, etc.) in the same manner that they were defined by the third-party claims payer in place immediately prior to Regence.
- E.1.3 Effective August 1, 2017, the benefits in existence on the date of execution of this Agreement, including the provisions identified below, shall be maintained by the District for the full term of this Agreement, except if mandated by a new state insurance plan. The District and the Association agree to end the plan's "grandfather" status and bring the plan into compliance with the Affordable Care Act.

PAT and PPS agree to the following:

- The parties agree Sections 23.7, 23.8, 23.9, all of Article 25, Sections 26.1, 26.2, 26.3, 26.7, 26.8, and the demand to bargain over impacts arising from Board policies related to professional conduct will be discussed by the bargaining teams using an IBB process.
- The parties agree to create and implement separate ground rules for the IBB process, including rules relating to a joint communication plan.
- The parties will endeavor to complete the IBB process within three months, subject to a mutually agreed upon extension of that timeframe. The parties agree to meet for a minimum of 24 hours a month until completion of the IBB process or modification of the process by mutual agreement.
- The creation of an MOU memorializing the changes in the above articles at the conclusion of the process is the stated goal of the process with the acknowledgement that any language changes agreed to will become part of the CBA.

2. Reservation of Legal Rights: The District and the Association reserve throughout the process their legal rights and obligations under Oregon Law. The parties agree that by entering this agreement they do not waive any rights under the CBA or Oregon law.

APPENDIX I
BILINGUAL OR MULTILINGUAL ABILITY

- I.1 In the application of the bilingual or multilingual exception to seniority in Section 18.6.2.4 the following interpretations shall apply:
- I.1.1 Bilingual or multilingual shall mean proficiency in reading, writing, speaking and listening equivalent to Advanced Mid using the American Council on the Teaching of Foreign Languages (ACTFL) proficiency guidelines aligned rubric. If an alternate exam, such as the Standards-Based Assessment and Measurement of Proficiency (STAMP), is selected, the level of proficiency under that alternate exam will be the equivalent to the ACTFL Advanced Mid.
 - I.1.2 Proficiency shall be established prior to the posting of vacancies in the annual internal transfer process.
 - I.1.3 Professional educators shall be informed of dates and times during the school year that they are able to demonstrate proficiency.
 - I.1.4 In order to be considered “relevant to the assignment”, a minimum of 5% of the students in a school must have in common a language other than English according to the October 1 enrollment report using the “Student’s Language at Home” report from Synergy, and the professional educator receiving the exception must directly support, on a daily basis, one or more students within this category and be proficient as determined by I.1.1 in the same language.
 - I.1.5 Prior to December 1 of each year, the District shall notify professional educators in schools that meet the 5% threshold of the opportunity to demonstrate proficiency in the applicable language or languages.

APPENDIX J

SCHOOL PSYCHOLOGIST TRANSFER AND ASSIGNMENT PROCESS

School Psychologists do not participate in the internal transfer and assignment process covering other professional educators set forth in Sections 18.3 and 18.5, of the PAT/PPS collective bargaining agreement. This Appendix sets forth the internal transfer and assignment process for School Psychologists. The terms of this Appendix do not in any other way modify or amend the provisions of the PAT/PPS collective bargaining agreement or its application to School Psychologists.

J.1 School Psychologist FTE Committee

- J.1.1 A School Psychologist FTE Committee shall be established. The committee shall consist of five school psychologists selected by the Association, and the Director of Special Education or designee. The School Psychologist FTE Committee (“FTE Committee”) shall work with the Special Education Director or designee to implement the School Psychologist staffing process.
- J.1.2 School Psychologist assignments will be adjusted once every three years. School Psychologists will be given the opportunity to drop a present school assignment and select a new school. To be eligible to participate in the site selection, a School Psychologist must have dropped at least one of their schools or be required to make a change because of FTE adjustment.
 - J.1.2.1 An exception to the 3-year stable FTE count for a building will be made in the event of a notable workload change for a site (e.g., increased caseload created by the new housing development, substantial enrollment increases). This includes a situation where there is an increase in psychologist staffing.

J.2 Rules for Site Changes

- J.2.1 Site reassignment is by seniority (i.e., if two people want the same site, the person with the higher seniority gets it), with exceptions granted to buildings shared by two School Psychologists, as outlined below:
 - J.2.1.1 Buildings with a 1.0 FTE assignment or less should be filled by only one School Psychologist. On rare occasion, exception may be made by agreement between the School Psychologists and administration;
 - J.2.1.2 If the building FTE increases, and there are two School Psychologists in the building, the person with the most FTE in the building shall have the choice to increase FTE. If that School Psychologist declines, the second School Psychologist in the building gets the choice;
 - J.2.1.3 If a building is split between two School Psychologists and one of them is retiring/leaving, the other School Psychologist has the choice to change their FTE in the building to take that position.
- J.2.2 A School Psychologist may only participate in site selection if their site assignment no longer equals their FTE. (This includes if they have dropped all or part of their site assignment.)
- J.2.3 A School Psychologist may drop as many of their sites as they like, but shall only have three (3) site choices in the selection process.
- J.2.4 If a School Psychologist does not get their 1st, 2nd, or 3rd choice in the selection process, or if they have FTE that remains unassigned, a site will be assigned to the School Psychologist at the end of the selection process by the FTE Committee.
- J.2.5 School Psychologists are encouraged to fill their FTE with one or two sites when possible (e.g., for a 1.0 FTE position, a School Psychologist should select: a 1.0; a 0.8 and a 0.2; or a 0.6 and a 0.4).
- J.2.6 A School Psychologist on a Plan of Assistance (POA) shall generally not be allowed to transfer. Exceptions may be made by the Special Education Department.

- J.2.7 School psychologist assignments that become vacant after this selection/placement process (e.g., at the end of year, summer, mid-year, etc.) are to be considered interim placements for that school year and will be posted in the following school year staffing process.
- J.3 The process will be completed as follows:
- J.3.1 School Psychologist assignment adjustments shall be in alignment with adjustments to each building's School Psychologist FTE.
- J.3.2 The Special Education Department shall send out information regarding building FTE and vacancies, along with staff seniority lists, to all School Psychologists prior to the selection event described in Section J.6.
- J.3.3 School Psychologists shall have five (5) workdays to review the vacancy list and changes to their current assignment caseload based on the FTE formula. School Psychologists shall email the Special Education Department to state which part of their assignment they are dropping if necessary due to FTE changes (e.g. if a School Psychologist has a 0.6 and a 0.4, but the 0.6 increased count to 0.8 while the 0.4 remained 0.4, the School Psychologist must drop at least one of those schools). School Psychologists may also drop a school or schools based upon their desire to change sites.
- J.3.4 Within five (5) workdays the Special Education Department shall email an updated building vacancy list to all School Psychologists. The updated list shall include the vacancies plus the schools that have been dropped by School Psychologists due to want or need to change assignments.
- J.3.5 School Psychologists shall be provided five (5) additional workdays to review the updated list and submit a school to drop by emailing the Special Education Department. If a School Psychologist does not submit a site to drop prior to the end of this period, they are electing to keep that assignment for the following school year. If a School Psychologist must submit a site to drop (due to the count now totaling more than the School Psychologist's FTE) and fails to do so, a choice will be made for them by the FTE Committee.
- J.3.6 A Final List (comprised of vacancies and dropped sites) shall be compiled by the Special Education Department and reviewed by the FTE Committee. The Special Education Department will email the Final List to all School Psychologists to review.
- J.3.7 After at least 5 workdays of review time, the School Psychologists' assignment Selection Event will occur. This event will be coordinated by the FTE Committee in collaboration with the Special Education Department.
- J.4 The Selection Event for School Psychologists in need of additional FTE to complete their assignment shall be run as follows:
- J.4.1 An index card or equivalent will be made for each available school site indicating the school's FTE.
- J.4.2 A School Psychologist can select up to three (3) school sites by writing on the school/s index card their name, seniority number, and whether the school is their first, second, or third choice.
- J.4.3 At the end of the event, the index cards will be used by the FTE Committee to make assignments based on seniority and in accordance with the rules (see above).
- J.5 Transfer Process for School Psychologists on Off Years (when no building FTE adjustments are made):
- J.5.1 The Special Education Department shall email vacancies to all School Psychologists in the spring at the same time as the PPS internal transfer process. Third-year probationary and contract School Psychologists interested in the vacant sites shall respond by email to the Special Education Department with their preference.

- J.5.2 The Special Education Department shall then email an updated list of vacancies to School Psychologists. School Psychologists shall be provided five (5) workdays to review the updated list and to respond by email to the Special Education Department with their preference.
 - J.5.3 If more than one School Psychologist is interested in a vacant site, reassignment will be granted by seniority. The Special Education Department shall make the assignments based on seniority and in accordance with the rules (see above); which shall be reviewed by the FTE Committee.
 - J.5.4 This will constitute the internal process for filling these vacancies before moving to an external process.
- J.6 Other Information Regarding School Psychologist Transfers and Workload
- J.6.1 School Psychologists will not participate in fall balancing.
 - J.6.2 Workload fluctuations shall generally be handled within PLC's and through floater support.

APPENDIX M SETTLEMENT MEMORANDUM OF AGREEMENT

Implementation

M.1 The parties to this Agreement are the Portland Association of Teachers (hereinafter “the Association”) and the Multnomah County School District No. 1 (hereinafter “the District”). The parties have negotiated a successor collective bargaining agreement (the “Tentative Agreement”). The Association and the District share the mutual goal of complete and expeditious settlement of successor collective bargaining negotiations and other outstanding issues, and hereby enter into the following Settlement Memorandum of Agreement (hereinafter “this Agreement”):

M.2 Effective Date

M.2.1 Except as otherwise provided in the Tentative Agreement and the associated Memoranda of Agreement, the Tentative Agreement is effective upon ratification by both parties.

M.3 Evaluation Forms

The mutually agreed upon evaluation Forms 3, 5, and 6 dated February 25, 2019 shall be included in the Handbook.

M.4 ER pay for Literacy Specialists

The parties were not able to reach an agreement on ER pay for literacy specialists. Alternatively, the parties have agreed to move the grievance dated February 25, 2019 to Level 2 of the Grievance Procedure.

M.5 Return to 7-Period High School Schedule

In the event the District determines that it wishes to return to a seven-period high school schedule, that schedule shall be generally comparable to that in place at comprehensive high schools during the 2010-2011 school year (i.e., five instructional periods, one duty and one preparation period).

M.6 Clarification of Outstanding Language

M.6.1 The District had previously taken the position that ORS 342.850 (7) prohibits the removal of discipline from a professional educator’s personnel file under any circumstances. From this point forward, the District has changed its position, and acknowledges that discipline/discharges may be removed from a professional educator’s personnel file or altered by an arbitrator’s award, a grievance resolution or other settlement agreement.

M.6.2 The parties agree the plain language of Section 23.4 provides all professional educators the right to appeal their dismissal during their contract to an arbitrator; this includes probationary and temporary professional educators.

M.6.3 The parties agree that the bargaining for the 2016-19 contract did not change the contractual standards to be applied to dismissals, non-renewals or non-extensions.

M.6.4 The District will not bring up in any future grievance arbitration the fact that PAT made proposals to add explicit language for just cause for dismissals, non-renewals or non-extensions to the contract during this bargain.

M.6.5 Currently the District’s online evaluation files are accessible by the professional educator’s evaluating supervisor and the administrator in the same building. The documents for all

Some areas of this section are under review.

professional educators are also accessible by OSP Leadership in charge of Schools, the Human Resources staff and others selectively in District management. The documents are not available for principals or other administrators in other buildings to see. If the District moves to a system where these materials are accessible to other administrators not in the same building, the District shall give PAT prior written notice. The Association reserves the right to grieve any such change and/or to demand to bargain over the change.

M.7 Work Groups

M.7.1 Stabilization of schools with High Turnover

The District and Association shall jointly identify schools with turnover (voluntary separations from the school building) of fifteen percent or more in a year, to research the causes of the high turnover. When such schools are identified, the District and Association shall jointly conduct listening sessions with educators who left the building for other assignments, and educators who remain in the building. The listening sessions shall provide opportunities to provide anonymous feedback from educators. The Association and the District shall review the reasons for the turnover and mutually agree upon recommendations to address the problem. The strategies may include, but are not limited to, the implementation of one or more of the following: additional planning time, additional professional development, and a reduction in student loads from the previous year. The District and Association will review the attempts to reverse the high turnover, and if those attempts were not successful, provide mutually agreed upon additional recommendations.

M.7.2 Revision of *In-Service Guidelines*

The District and the Association agree to meet to revise the *In-Service Guidelines* with the goal of incorporating relevant language into the CBA and eliminating the separate document. This work shall be completed prior to October 1, 2019.

APPENDIX N
MENTAL HEALTH & WELLNESS SUPPORTS FOR STUDENTS: DEFINITIONS

- N.1 The District and the Association agree that supporting student mental health in Portland Public Schools is a critical step to addressing the predictability of disparities by race, socioeconomic status, and disability, and will accelerate learning and achievement for all students. Student mental health needs are best served when the school community is supported by a team of trained professional educators and support staff including Licensed School Social Workers, Licensed School Counselors, Licensed School Psychologists, Qualified Mental Health Professionals (QMHPs), and educational support professional staff.
- N.2 Licensed School Social Workers: Trained mental health professionals who provide services that strengthen home, school, and community partnerships that assist with mental health concerns, behavior concerns, positive behavioral support, academic and classroom support, consultation with teachers, parents and administrators as well as provide individual and group counseling. Licensed School Social workers serve as a liaison between families, school, and community agencies. Licensed School Social Workers have special expertise in conducting multi-tiered school needs assessments, coordinating on site services and supplies for students and families such as food, clothing, hygiene items, and food pantry, supporting staff development on trauma informed/equity professional development that impacts students, families, supports crisis intervention services including suicide assessments and safety plans, supports the development of programs to address parent/guardian participation in school engagement and student educational process and the environmental factors that impact learning, understanding family and community systems and linking students and their families with community services essential to promote student success. School Social Workers' training includes specialized preparation in cultural diversity, systems theory, social justice, school law, risk assessment and intervention, consultation and collaboration and clinical intervention strategies to address the social emotional and mental health needs of students. School social workers are hired by districts to recognize and remove barriers that limit a student's ability to access their education. Additionally, school social workers work within the MTSS framework to enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.
- N.3 Licensed School Counselors: are certified Pk-12 licensed professional educators who are uniquely qualified to address all students' transitions, academic, college/career, postsecondary, and social/emotional development needs by designing, evaluating, implementing, and enhancing a comprehensive school counseling program that proactively promotes and enhances student success. The Licensed School Counselor works directly with students, families, administrators and all professional educators proactively to support mental wellness through classroom lessons for all students, evidence based small group counseling and individual counseling support. In addition, Licensed school counselors have expertise to support the development of crisis intervention, including safety planning, implementing and completing suicide assessments, and the coordination of post-treatment plans for students and/or refer students for school or community based mental health supports. School Counselors work in partnership with classroom teachers and other school staff, families, students, school administrators, and other professionals to help cultivate safe, healthy, and supportive learning environments for all students.
- N.4 Licensed School Psychologists: Licensed School psychologists are school based mental health professionals who specialize in the provision of Multi-Tiered Systems of Support (MTSS) and collaborate with school teams, teachers, students, families, and community partners to provide culturally and linguistically responsive academic, social/emotional and mental health services. School psychologists are highly qualified members of school teams who support students' ability to learn and collaborate with teachers to problem solve and support instruction. They apply expertise in mental health, learning, and behavior, to help children and youth succeed academically, socially, behaviorally, and emotionally. Further, they support MTSS teams in identifying school and student strengths and needs and promoting equitable outcomes through academic and social/emotional Tier I practices, Tier II & III interventions and data based decision making. This may include, but is not limited to,

conducting the assessments that support educational programming, planning and developing interventions, and determining/evaluating program eligibility and placement for students. School psychologists also specialize in access and support for students with disabilities. School psychologists apply their training in all tiers of MTSS in partnership with administrators and educators to help create safe, healthy, and supportive learning environments that strengthen connections between home, school, and the community and ensure that student supports, programs, learning strategies and educational decisions prepare students to realize a more socially just world.

- N.5 **Qualified Mental Health Professional:** Qualified Mental Health professionals (QMHPs) primarily work to provide therapeutic support to students and may work to provide support for students with complex mental health, behavioral, and educational needs who are in PPS. Additionally, QMHPs may work collaboratively with families and community organizations, agencies, hospitals, and other school district programs to support all students. In collaboration with school counselors, school social workers, school psychologists, and community based providers, QMHPs may also provide consultation to school teams, families and community members, with a focus on systems navigation, systems change, and suicide prevention in order to support students and families who are experiencing mental health crises and other significant or complex mental health challenges. QMHPs may be a Licensed Clinical Social Worker (LCSW), School Counselor, School Psychologist, or Licensed Counselor or Therapist.
- N.6 Definitions listed above are subject to change due to agreements the parties reach during the work required under MOA Metal Health Teams.

APPENDIX O
MEMORANDUM OF AGREEMENT - MENTAL HEALTH SUPPORT AND RRT

- O.1 The District and the Association agree that supporting student mental health in Portland Public Schools is a critical step to addressing the predictability of disparities by race, socioeconomic status, and disability, and will accelerate learning and achievement for all students. Student mental health needs are best served when the school community is supported by a team of trained professional educators, support staff, and educational support professional staff.
- O.2 Toward that end, the District agrees to increase the number of full-time equivalency (FTE) staff as identified in the Tier III Mental Health and Rapid Response Team tentative agreement signed and dated by the parties on November 20, 2023, see below.
- O.3 The parties agree to make a good faith effort to reach an agreement on how the expansion will occur, particularly in light of the agreement on student discipline that will make additional staff support part of providing meaningful and restorative alternatives to discipline.
- O.4 The parties further agree that this MOA is an initial step and will serve as a foundation to establish a more robust mental health support system for our students.
- O.5 In addition to working together to determine the structure of the expanded team(s), the District will share with the Association relevant data to determine the impact and effect of the expanded team and to identify additional unmet needs that may need additional, responsive student supports.

Tier III Mental Health and Rapid Response Team PPS Commitment

Portland Public Schools, School District No. 1J, Multnomah County, Oregon (District) agrees to increase the number of full-time equivalency (FTE) staff in the Rapid Response Team to twelve (12) to be allocated upon ratification.

**APPENDIX P
METHODOLOGY FOR CALCULATING
OVERLOAD PAY**

The primary methodology for calculating PAT member overload pay can be found in Article 8 of the PAT contract.

The table below is the District’s methodology and how methodologies will be calculated. References to charts A, B, and C can be found in Article 8 of the contract.

Topic	Methodology	Example
<p>Staff working less than 1.0</p>	<p>For chart A, the stipends will be prorated. The Pioneer and Focus Classrooms in chart C will also have the stipends prorated. These are self-contained or homeroom classrooms</p>	<p>A 0.5 Kindergarten teacher who is job sharing will have the stipend prorated. If the class size was 25, then the stipend would be calculated and then multiplied by 0.5.</p>
	<p>For chart B (MS and HS) and anyone with a caseload in chart C, the thresholds will be weighted to the employee’s FTE.</p>	<p>A 0.5 HS math teacher would have a student-teacher load threshold of 80 instead of 160.</p>
<p>High School staff assigned administrative duties during one or more release periods.</p>	<p>For high school staff released from teaching for one or more periods to perform District assigned administrative duties, the teaching load overage threshold will be prorated according to the number of periods taught out of 6, and the overage payment amount per five students over that threshold will be according to Article 8.3.3.2.b of the CBA. No proration will apply if the educator receives Extended Responsibility pay for duties performed during the release period(s). High school staff who receive Extended Responsibility pay for duties unrelated to any release period will receive proration of the teaching load overage threshold.</p> <p>For high school staff released from teaching for one or more periods to serve on a Freshman Success Team (or Student Success Team), the teaching load overage threshold will be prorated according to the number of periods taught out of 6 and the overage payment amount per five students over that threshold will be 2/3 the amount identified in Article 8.3.3.2.b of the CBA.</p> <p style="text-align: center;">Some areas of this section are</p>	<p>A 1.0 HS teacher is released from teaching 1 of the ordinary 6 classes to perform 1 period of PPS assigned administrative duties such as Instructional Leader. Because the teacher instructs only 5 classes not 6 classes as usual, their teaching load overage threshold is prorated at 5/6 the threshold listed in Article 8.3.3.2.b ($5/6 \times 160 = 133$). The teacher receives an increase of 3% of base salary per five students over the prorated teaching load overage threshold of 133. This teacher’s teaching load overage threshold will be prorated if the teacher also has an extended responsibility assignment unrelated to the release period (such as sports coaching, etc.)</p> <p>A 1.0 HS teacher is released from teaching 1 of 6 classes to perform administrative duties as a curriculum coordinator, but also receives contractual Extended Responsibility (ER) pay for those curriculum coordinator duties. This teacher’s teaching load overage threshold will not be prorated and will remain at 160.</p> <p>A 1.0 HS teacher is released from teaching 1 of the ordinary 6 classes to serve on a Freshman (or Sophomore) Success Team. Because the teacher instructs only 5 classes not 6 classes as usual, their teaching load overage</p>

		threshold is prorated at $\frac{5}{6}$ the threshold listed in Article 8.3.3.2.b ($\frac{5}{6} \times 160 = 133$). The teacher receives an increase of 2% of base salary per five students over the prorated teaching load average threshold of 133 (i.e. $\frac{2}{3}$ the overage amount identified in Article 8.3.3.2.b)
Elementary 50:50 Immersion	For chart A, Non- departmentalized K-5 teachers with two distinct groups of students, overage calculations will be based on each half of the day and added together.	A 1st grade Japanese Immersion teacher sees 26 in the AM and 29 in the PM. The threshold is 26. For the morning there would be no overload payment. And for the afternoon, the educator would get 50% of the overload payment.
Topic	Methodology	Example
Grades 6-12 teaching performance & non-performance courses	For chart B teachers who teach both performance and non-performance classes, the calculation will be made by weighting the thresholds by the proportionate number of periods spent in core and performance classes. Those are added to get the proportionate threshold.	This is a HS example: 2 of 6 classes are performance with a total of 78 students. 4 of 6 classes are non-performance with a total of 126 students. This teacher's total count is 204 students. The teaching load thresholds are prorated to 75 for 2 of 6 performance classes (<i>0.33 of 225</i>) and 106 for 4 of 6 non-performance classes (<i>0.67 of 160</i>). The total prorated threshold in this example is 181 ($75+106$). As this educator teaches 204 students, they would receive 5 payments. (First payment for student 182, second for 187, third for 192, etc.)
Teachers teaching at a K-8 or K-12 school teaching across different levels (K-5, 6-8, 9-12)	Teachers in both chart A and B will have each methodology applied and then added together. In chart A, the payment is prorated and in chart B, the students are prorated.	At a K-8, the PE teacher teaches 0.4 MS and 0.6 K-5. For the 0.4 MS, the student-load is prorated to 0.4 of 220 which is a threshold of 88. For the 0.6 K-5, the elementary specialist average overload payment is prorated to 0.6. These two portions are added together. These are calculated separately; any overage will be combined in one payment.
K-5 Blended Grade Classrooms	Using lower grade to determine threshold for determining payments.	A classroom with both 3rd and 4th grade students would use the threshold for 3rd grade to determine threshold overage pay.
6-8 Focus Options Schools Sunnyside, Odyssey	Focus Options in grades 6-8 that function like elementary homerooms will be treated like 6th grade self-contained. <i>Some areas of this Appendix</i>	Sunnyside and Odyssey have Homerooms in grades 6-8. The teachers with homerooms will have a class size threshold of 28 and the non-homeroom teachers will be treated like elementary specialists. See Article 8 on

		self-contained 6th grade. For blended classes they will be class size threshold of 28, if these educators also teach subject specific classes, they will receive the appropriate threshold for the grade. Sunnyside teachers who teach multiple grade blends MWF and single grade classes TR will receive overages based on appropriate prorated threshold.
Middle School A/B Schedule	Middle School A/B Schedule Students in middle school A/B schedules will count toward overage thresholds in the same manner as students on conventional schedules.	
Working at more than one school	Teachers working at more than one school shall have their unique preps calculated across schools.	A HS PE teacher split .5 at one school and .5 at another will have unique preps counted across both schools.
Unique Preps and teachers less than 1.0	The threshold for unique preps is more than 2 preps for teachers that are less than 0.67 FTE and more than 0.33. Teachers 0.33 or less would have a threshold of 1 unique prep.	
6-12 SPED Focus Classroom and Learning Center Teachers and Unique Preps	Unique Preparations is for teachers in chart B who are departmentalized	A 6-12 Focus ISC classroom will be considered for the chart C threshold in the contract, but not for unique preparations. Unique preparations are for departmentalized teachers.
K-5 SPED Focus Classrooms	Teachers will get credit for students from self-contained classrooms who push into their classrooms.	A student from a self-contained classroom pushes in to a class for part of the day. This student will be included in the class size count for both educators.
SPED Push-in Services	At all levels, every effort will be made for special education teachers to serve students for which they case manage. At times when this is unachievable, IEP teams will balance the workload collaboratively. Special Education teachers working with the student will decide on which caseload list the student is captured. <u>Students will only be counted on a single special education teachers' caseload.</u>	
Speech Language Pathologists, Learning Center Teachers, and School Psychologists	Student must be enrolled on specified count date with the completed transfer process. Student must have a valid Oregon IEP and Eligibility, or the student must be receiving services required by out of state IEP not yet transferred to PPS/Oregon IEP Services must be listed on the current IEP Consult only students are not counted In-state and out of state move-ins with an IEP from another District or State are included if the student is being serviced by the PPS SPED educator. <u>The SPED educator must complete the transfer process within the Synergy system by the overage count deadline for the student to be counted. The file does not need to be finalized but the transfer plan must be completed.</u>	
IEPs In Process	Beginning in the 2023/2024 school year, all SPED case managers who do not currently receive a case management period will receive a case management period each day for due process paperwork, evaluation work, and IEP work. At the elementary level, the case management period will be at least 40 minutes per day, and no less than 320 minutes total per week. At the middle school and high school levels, the case management period will be not less than the equivalent of one standard class period per day. High school SPED educators will receive a substantially equivalent amount of case management time as other SPED educators. School Psychologists and Speech Language Pathologists are also entitled to self-schedule a period of time each day equivalent to a standard class period (or at least 40 minutes per day, and no less than 320 minutes total per week, for those at the elementary level) for due process	

	paperwork, evaluation work, and IEP work. These periods of time for SPED case managers, School Psychologists and Speech Language Pathologists reserved for SPED paperwork will be in addition to planning time already guaranteed under Article 7.10.	
Speech-Modification Only IEPs for School Psych	For school psychologists, speech-modification only IEPs will not count towards caseloads.	
Topic	Methodology	Example
6-12 ESL Teachers	ESL classes in synergy will be treated as ESL 1-2 or ESL 3-4 for counting unique preparations.	There are many courses in synergy that are ESL or ELD courses. There is one middle school curriculum and one high school curriculum. The standard courses are ESL or ELD 1-2 and ESL or ELD 3-4 so all ESL courses for counting unique preparations will fall under one of the above courses.
K-5 Media Specialists	K-5 Media Specialists to be treated like elementary specialists.	See Article 8 for how elementary specialists overload pay is calculated. If a K-5 media specialist is in two elementary schools the overage will be determined at each school then added together for the total overload pay.
6-12 Media Specialists	6-12 Media Specialists will have any classes they teach prorated for the part of the day that they teach classes.	A Middle School Media Specialist teaches two classes per day. Those classes would be prorated. A typical teacher at that school teaches five classes. So $\frac{2}{5}$ would be applied to the student-teacher load of 150 in calculating the overload pay, which would be a threshold of 60.
Media Specialist in two classifications	Teachers in two classifications in Article 8 will have each part of their job prorated and then added together.	A Media Specialist who is 0.5 at a MS and 0.5 at an elementary will have each part of their day calculated separately as half a day and then added together for the total overload pay.
A single period with multiple courses taught by one teacher	These courses are being reviewed to determine if they are eligible for consideration for unique preparations.	When a teacher has two or more courses listed in the same period, these situations are reviewed individually to determine eligibility for consideration for unique preparations. If one of the courses is determined to be an independent study, it does not count. Independent study courses are not easily identifiable in our data system.
HS Double-Upped Courses that are over two periods with more than 1 teacher	Each teacher gets credit for all students over two periods.	Two HS teachers teach 60 students at a HS in a geometry/art course over two periods . All 60 students to be counted toward each teacher's student teacher load in the period they are in charge of grading. Note: The High School Fit To Live course (or its substantial equivalent) will be treated as a Double-Upped/Double Block course per Article 8.3.9.d starting in the 2023/2024 school year.

<p>Advisory/Homeroom</p>	<p>Advisory, homeroom, or other similar periods that require attendance-taking, delivery of content, and tracking student performance and/or participation, count for the purposes of student load and unique preparation in a prorated relationship (based on minutes per week as described in the example) to a standard class period.</p>	<p>For example, if an advisory period meets this description and occurs 50 minutes per week, and a standard class period occurs 250 minutes per week, each advisory student in that course counts as 20% of a student towards student load, and the advisory course counts as 20% of a preparation (i.e. \$200 per semester if over the 3-unique-preparation limit).</p>
<p>Independent Study/Teaching Assistants/Peer Mentors</p>	<p>Educators do not “voluntarily agree” to accept Independent Study students, Teaching Assistants, or Peer Mentors in their classes unless they are offered the option in writing to decline the student(s) and affirmatively volunteer to accept them. If no option is given to decline the student, then it is presumed the educator has not voluntarily agreed to the student, and the student will count towards the educator’s load.</p>	
<p>Topic</p>	<p>Methodology</p>	<p>Example</p>
<p>Grades 6-8 courses that do not meet daily</p>	<p>The student-teacher loads will be prorated to the frequency of the standard grades 6-8 class period.</p>	<p>A Spanish class meets every other day with a group of 30 students. Because the teacher meets with students half as frequently, the students in this class are prorated and counted as 15 students toward the student-teacher load.</p>
<p>Speech Language Pathologists who support all buildings with special programs Feeding team Assistive technology team</p>	<p>Staff assigned to as specialists for assistive technology, augmentative communication, and feeding do not have a caseload or provide case management. Students supported by these specialists do not receive services from these specialists week to week or month to month. These staff evaluate student needs in alignment and support of building teams, train building staff, and update plans and protocols when needed to be delivered by case managers through the IEP process.</p>	<p>The caseload for these practitioners is comprised of the number of students requiring active engagement (conducting one of these activities: an assessment, specific training of a staff, or a plan revision) from these specialists at the time of the overage count.</p>
<p>Educational Assistants / Paraeducator assigned to classrooms for reason other than “due to threshold estimates”</p>	<p>EA or paraeducators assigned to classrooms for any reason other than “due to threshold estimates” (i.e. for programmatic staffing or IEP requirements) do not count as a remedy for overloads. Educators with these EAs or paraeducators assigned to their classrooms still receive an overload stipend if eligible.</p>	<p>A kindergarten educator with a student count over the overload threshold is still entitled to an overload stipend, even though a single EA is assigned to the classroom, because an EA is typically provided for any kindergarten classroom irrespective of class size. If one EA is assigned to a classroom for baseline staffing and the District then assigns an additional EA “due to threshold estimates”, no overload stipend is owed.</p>

APPENDIX Q
MEMORANDUM OF AGREEMENT
SOCIAL WORKER THRESHOLD/OVERAGE STANDARD

In the final stages of negotiations, the parties recognized that the establishment of a threshold/overage for School Social Worker, which will be included in Article 8.3.6.2, sections (a) through (c)--was a more complicated discussion than anticipated and required additional discussion between the parties. In order to address this issue, the parties hereby agree:

- Q.1 Within thirty (30) days of the final approval of this agreement, the parties will meet to negotiate over the establishment of a threshold/overage for School Social Workers;
- Q.2 The parties will make every effort to reach an agreement within ninety (90) days of the final approval of this agreement.
- Q.3 If an agreement is reached, the new threshold/overage for school social workers shall be implemented. If no agreement is reached, the Employer's final position on the threshold shall become the status quo school social worker threshold/overage and shall be implemented.

APPENDIX R
MEMORANDUM OF AGREEMENT
HEALTH AND SAFETY IMPROVEMENT INVESTMENTS

- R.1 Portland Public Schools (PPS) is set to be awarded grant funds from the City of Portland Clean Energy Benefits Fund (PCEF) to be used on clean energy projects at up to thirty-one (31) identified schools. PPS proposes to use up to \$10 million in PCEF funds to address temperature mitigation at PCEF-qualified PPS buildings.
- R.2 As part of the award process, PPS will submit, in accordance with PCEF grant procedures, a project plan proposing to use the PCEF funds to invest in our buildings and Heating Ventilation Air Conditioning (HVAC) systems with the goal of increasing student and educator comfort and, as required by PCEF, improve climate resiliency and reduce greenhouse gas emissions.
- R.3 PPS will comply with PCEF terms and conditions associated with the award and project plan approvals.
- R.4 In addition, PPS will invest an additional \$10 million in capital/bond funds (not general fund) to address priority environmental health and safety and deferred maintenance building concerns in school buildings.
- R.5 Portland Association of Teachers (PAT) will appoint one educator to participate in reviewing and providing input on the list of prioritized projects as part of the PCEF application.
- R.6 PPS will review its integrated pest management program for opportunities to increase efficacy and safety and report to PAT on the results of the review and any changes prior to the end of the 2023-24 school year.
